ARTICLE I

INTENTION OF DECLARATION

Declarant, as the owner in fee simple of the real estate described on Exhibit A-1, hereby submits the real estate, together with all appurtenant rights and easements and the buildings and improvements constructed or to be constructed thereon, together with such additional real property as may now or hereafter be made subject to this Declaration (collectively, the "Property") to the terms and provisions of this Declaration, as the same may be amended from time to time. Declarant further declares that all of the Property shall be held, sold, and conveyed subject to the following easements, covenants, conditions and restrictions, which are for the purpose of protecting the value and desirability of, and which shall run with, the Property and shall be binding on all parties having any right, title or interest in the Property or any part thereof, and their respective heirs, legal representatives, successors, and assigns, and shall inure to the benefit of each Owner:

1.1. FACTS.

This Declaration is made with reference to the following facts:

1.1.1. Property Owned by Declarant. Declarant is the owner of the Property located in the unincorporated area of the County of Lincoln, State of Montana described as follows:

See Exhibit A-1 attached hereto and incorporated herein by this reference. In addition, Lots owned by GBCI have been included in Exhibit A-1 due to GBCI joining in for the purpose

of subjecting this Declaration to the Lots owned by GBCI at the time of recordation for this Declaration. GBCI's consent to subjecting those Lots owned by GBCI to this First Amended Declaration has been attached to this First Amended Declaration as "Exhibit C-3".

1.1.2. Nature of Project. Declarant intends to develop the Property, together with additional property owned by Declarant described on attached Exhibit A-2 (the "Development Property"), less those portions of the Development Property that are already included as parts of the Plats for Phase 1, Phase 2 or Phase 3 (as such Phases are described on Exhibit A-1, below) as a planned community development pursuant to the Master Plan approved by Lincoln County, Montana referencing the community as The Wilderness Club. The Wilderness Club Resort refers to the Project and amenities and includes Lots which are referred to as the Estates at Wilderness, as defined below, the Wilderness Club Golf Club, as defined below, Common Area and other real property that will either service the Project or are set aside for future development in the sole and absolute discretion of the Declarant. The Declarant intends to develop The Wilderness Club Resort in multiple Phases. Declarant reserves the right to amend the Master Plan in its sole and absolute discretion, subject to any approval required by Lincoln County, Montana. Declarant desires to impose on the Property these mutually beneficial restrictions, easements, assessments and liens under a comprehensive general plan of improvement and development for the benefit of all of the Owners, the Lots and Common Area within the Property and any property annexed into the Project.

1.1.3. Phases of Project. The Project is intended to be developed in multiple Phases. At the time of the recording of this First Amended Declaration there are two types of properties available in the Project. Residences (as defined below) are available to be purchased or constructed on the Lots within the Project and the Declarant is also developing Cabin Units (as defined below) which will include residential units built and intended to be incorporated into the Cabin Unit Program (also as defined below). At the time of the recording of this Declaration, the Project includes Phase 1, Phase 2 and Phase 3 (as such Phases are described on Exhibit A-1, below) each of which have been platted of record and are referred to on the plats thereof, as amended, as The Wilderness Club. The Declarant may also develop areas of the Project in any other manner it deems appropriate in its sole and absolute discretion including but not limited to multi-family sites, hospitality sites, commercial sites and other accessory uses that it deems appropriate for the orderly development of The Wilderness Club, as it evolves from time to time. Such shall be accomplished by changes in the Master Plan. In addition, Declarant may, but shall have no obligation to, annex all or any portion of any other property owned by it, including the unplatted portions of the Development Property, now or in the future to this Declaration. Such annexation shall be accomplished by recording a Declaration of Annexation in compliance with the provisions of this Declaration. After recordation of a Declaration of Annexation, such property described therein shall be part of the Project and shall be considered a part of the Property subjected to this Declaration and a part of The Wilderness Club.

1.2. APPLICABILITY OF RESTRICTIONS.

Declarant hereby declares that the Property is subject to the provisions of this Declaration. The Property shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied and improved subject to the covenants, conditions and restrictions stated in this Declaration. All such covenants, conditions and restrictions are declared to be in furtherance of the plan for the subdivision, development and management of The Wilderness Club as a planned community.

All of the limitations, easements, uses, obligations, covenants, conditions, and restrictions stated in this Declaration shall run with the Property and shall inure to the benefit of and be binding on all Owners and all other parties having or acquiring any right, title or interest in any part of the Property. The rights and obligations of the Wilderness Club Golf Club Property (as defined below) shall also run with the land.

1.3. RELATIONSHIP TO WILDERNESS CLUB GOLF CLUB.

An eighteen-hole championship golf course designed by Nick Faldo, including a driving range and putting green (the "Golf Course") and a club house ("Club House") were completed by the Original Declarant on a portion of the Wilderness Club Golf Club. As explained below, the availability and use of the Golf Course and Club House by Lot Owners are governed by the Membership Plan Documents, as defined below, for the Wilderness Club Golf Club ("Wilderness Club Golf Club"). The Declarant may, but shall not be obligated to, construct on the Property an additional club house ("Future Club House"), which may replace the current Club House, as well as additional recreational facilities, such as swimming pools, locker room facilities, additional food and beverage facilities, and other related facilities (collectively "Future Club Amenities"). The completed Golf Course, Club House and areas planned for the Future Club House and additional recreational areas are referenced on Exhibit B-2 (and referred to hereinafter as the "Wilderness Club Golf Club Property"). All such additional recreational areas and facilities are proposed only and the Declarant is under no obligation to provide or complete such additional areas or facilities until such time as it contractually obligates itself to do so. Construction for some of the recreational areas and facilities referenced above has commenced; however, the Declarant is in no way obligated to complete any recreational area and facility in the Wilderness Club Golf Club Property. The decision to provide or complete such Future Club Amenities shall rest with the Declarant who may make its decision on any basis including, but not limited to, market factors and utilization.

Each Owner of a Lot shall be required to be a member of the Wilderness Club Golf Club ("Club Member") for so long as such Owner remains a property owner at The Wilderness Club. Pursuant to the Membership Plan Documents, an Owner shall become a Club Member upon payment of a fee as required by the Membership Plan Documents for joining the Wilderness Club Golf Club (the "Membership Joining Fee") and complying with the additional dues, fees and requirements set forth in the Membership Plan Documents. A Club Member's rights to use the Golf Course, Club House and any Future Club Amenities shall be based upon the Membership Plan Documents and shall further depend upon the type of membership that such Owner chooses and the related rights and privileges ascribed to such form of membership in the Membership Plan Documents. The current membership options available for owners of property in The Wilderness Club for the Wilderness Club Golf Club include: (1) Golf Membership and (2) Sports Membership. A Club Member selecting a Golf Membership shall be entitled to access and use of the Golf Course, Club House and all Future Club Amenities in accordance with the provisions of the Membership Plan Documents. A Club Member selecting a Sports Membership shall be entitled to use of the Club House, Future Club Amenities (if any), and shall have limited access to the Golf Course upon the payment of any prescribed fees, as set forth in the Membership Plan Documents which will vary by type of membership.

In addition to the Golf Membership and Sports Membership, a select number of "Founder Memberships" may be made available by the Club Owner in the Wilderness Club Golf Club. The availability of Founder Memberships, if any, will be determined by the Club Owner in its sole discretion. A Club Member who obtains a Founder Membership shall be entitled to use all of the Club Facilities and will have certain preferred rights as set forth from time to time in the Membership Plan Documents. The Club Owner may establish other types of memberships in the future in accordance with the Membership Plan Documents.

Complete details for what is required for an Owner to become a Club Member of the Wilderness Club Golf Club, as well as the details of what privileges and restrictions are included in a Golf Membership, Sports Membership and Founder Membership shall be described in the Membership Plan Documents, as such are amended from time to time in accordance with their terms. Additional membership options for the Wilderness Club Golf Club may be made available by the Club Owner, from time to time in the future in its sole and absolute discretion.

Prior to annexation into this Declaration, all portions of the Development Property shall be subject to this Declaration only to the extent of Article III or as otherwise specifically provided herein. After annexation to this Declaration, the portion of the Development Property annexed shall cease to be considered Development Property and shall become a part of The Wilderness Club Resort. Portions of the property included in Exhibit A-2 as the Development Property have already been annexed as Part of either Phase 1, Phase 2 or Phase 3 (as such Phases are described on Exhibit A-1, below). The Wilderness Club Golf Club and related facilities will be an integral part of The Wilderness Club Resort but shall be owned and operated separately and distinctly by the Club Owner without any interference from the Association (as defined below) and shall be governed by their own rules, regulations and requirements set forth in the Membership Plan Documents. The Wilderness Club Golf Club shall have the non-exclusive right to use the Common Area pursuant to and in accordance with the terms and provisions contained in this Declaration and deeds by which easements may be granted for the purposes of ingress and egress. It is intended that no activities or actions shall be conducted and no impediments shall be created which will unreasonably interfere with the use, operation and maintenance of the Wilderness Club Golf Club. Neither the Association nor any Owner shall have any rights in or privileges to the Wilderness Club Golf Club or any of said other facilities by virtue of this Declaration or the location of the Wilderness Club Golf Club Property. Such rights and privileges, if any, are set forth in the Membership Plan Documents, as such are amended from time to time in accordance with their terms..

1.4. CONSENT OF MASTER PLAN.

Purchasers of property within The Wilderness Club hereby consent to the Master Plan for the Project, as the same may hereafter be amended from time to time in the sole discretion of the Declarant. By adoption of such Master Plan and this Declaration, Declarant is not committing itself to take any action for which definite provision is not made below. One who acquires property in The Wilderness Club will have the advantage of any further development of the Project, but shall not have any legal right to insist that there be development (e.g. additional phases of residential lots not currently built, or construction of Common Areas not completed at the time of the recording of this Declaration, etc.), except as provided in this instrument or in the instruments which hereafter may be recorded annexing areas to The Wilderness Club and

subjecting areas to this Declaration. Unless and until such property is annexed to the Project and set forth on the Master Plan, any future development shall be considered proposed only.

1.5. VARIETY OF DEVELOPMENT.

Declarant anticipates that the Project may include a variety of different types of development parcels. Recreational facilities may include facilities that are Common Areas for The Wilderness Club and available only for use by the Owners, their guests and guests and invitees of the Declarant. Other recreation facilities, including the Golf Course, shall be privately owned by Declarant, the Club Owner or other third parties and the use thereof shall be in accordance with the Membership Plan Documents. Such Membership Plan Documents are intended to apply to all Lot Owners, guests, resort guests, non-members and other users of the facilities of the Wilderness Club Golf Club, and as otherwise permitted or allowed by the Club Owner. Additionally, the Project may include other structures and developments, all in accordance with the Master Plan, as the same may hereafter be amended from time to time in the sole discretion of the Declarant.

Additionally, the infrastructure associated with the central water and sewer system servicing the Lots in Phase 1, Phase 2 and Phase 3 (as such Phases are described on Exhibit A-1, below) has been constructed. Declarant will pay to maintain and operate the central water system and central sewer system within the Project, subject to prescribed usage fees as allowed by law. Declarant will continue to own the water and sewer systems until the Project is complete, at which time Declarant may chose, in its sole discretion, to turn over operation of said systems to the Association. If the Declarant so chooses to turn over the operation of said systems to the Association, the Association is hereby obligated to accept such responsibility pursuant to this Declaration.

Roads within the Property have been constructed to provide access to all Lots in Phase 1, Phase 2 and Phase 3 (as such Phases are described on Exhibit A-1, below). Additional roads may be constructed by the Declarant only upon receipt of plat approval by Lincoln County permitting additional phases of the Project to be constructed by the Declarant. The Declarant will pay to construct and maintain interior roadways providing access within the Property. Declarant will continue to own the internal roadways until the Project is complete, at which time Developer may chose, in its sole discretion, to turn over operation of said roads to the Association. Roads which provide access to the Property are maintained by Lincoln County in its sole discretion.

The Common Areas, including open space, will be owned by the Association pursuant to Section 4.3 below. Common Areas will be maintained by the Association pursuant to the provisions and criteria in Section 14.3.1 below.

1.6. IMPROVEMENTS CONSTRUCTED BY DECLARANT.

Notwithstanding any other provision contained herein, the Declarant does not choose to limit its right to add Improvements not described in this Declaration to The Wilderness Club.

Property may be added to The Wilderness Club only in accordance with the provisions of this Article.

3.3. PROPERTY WHICH MAY BE ANNEXED; APPROVAL OF MEMBERS.

All or any portion of the Development Property and any other property owned by Declarant, now or in the future, may be added to The Wilderness Club by Declarant as one or more subsequent Phases without the approval of the Association or any Owner other than the Declarant, if annexed prior to the Turnover Meeting (the "Annexation Period"). The addition of any lots in such Phases shall be a part of the Lots comprising the Estates at Wilderness. Any other property owned by Declarant and not annexed within the Annexation Period may be annexed to the Project only with the approval of two-thirds (2/3) of each class of Members.

3.4. PROCEDURE FOR ANNEXATION.

In addition to approval by Members, if required, a final subdivision plat(s) or final parcel map(s) and a Declaration of Annexation for the property to be annexed must be recorded. The Declaration of Annexation shall: (i) describe the portion of the Additional Property to be annexed; (ii) describe any Common Area within the Additional Property to be annexed; (iii) set forth the ownership of any such Common Area; (iv) specify that all of the covenants, conditions and restrictions of this Declaration shall apply to the annexed Additional Property in the same manner as if it were originally covered by this Declaration; and (v) contain any other provisions required by applicable law. No Declaration of Annexation shall diminish the covenants, conditions or restrictions established by this Declaration nor shall it discriminate between the Owners of the Estates at Wilderness Lots in The Wilderness Club. No Declaration of Annexation shall alter or change the general common plan or scheme created by this Declaration nor shall it affect the provisions hereof as covenants running with the land or as equitable servitudes. There shall be no limit on the number of Lots or units that Declarant may create or annex into the Estates at Wilderness during the Annexation Period or to the property that the Declarant may annex to The Wilderness Club. Additionally, during such Annexation Period, there shall be no limitation on the right of Declarant to annex additional Common Area.

After complying with the procedures for annexation and upon the commencement of Assessments for Lots in the annexed Phase, Owners of Lots in the annexed Phase shall be Members, shall be subject to this Declaration and shall be entitled to use all Common Area in The Wilderness Club. The Association shall reallocate the regular assessments, as defined in Section IX, below, so as to assess each Owner of a Lot for a proportionate share of the total common expenses of The Wilderness Club. To the extent annexed Lots are condominium or townhouse units, such Lots proportionate share of expenses may be less than that allocated to single-family detached Lots and shall be determined by the Association in its reasonable discretion, pursuant to an annual budget. Without limitation of the meaning of the foregoing provisions of this Section 3.4, in any Declaration of Annexation, Declarant may but shall not be obligated to establish easements particular to different Lots and/or to create any such Sub-Associations as it may elect.

3.5. DEANNEXATION AND AMENDMENT.

ARTICLE IV

OWNERSHIP/EASEMENTS/MEMBERSHIPS/FEES

4.1. NON-SEVERABILITY.

The interest of each Owner in the use and benefit of the Common Area shall be appurtenant to the Lot owned by the Owner. No Lot shall be conveyed by an Owner separately from the appurtenant interest in the Common Area. Any conveyance of any Lot shall automatically transfer the right to use the Common Area without the necessity of express reference in the instrument of conveyance. There shall be no judicial partition of the Common Area. Each Owner, whether by deed, gift, devise or operation of law, for the Owner's own benefit and for the benefit of all other Owners and each successor of each Owner, specifically waives and abandons all rights, interests and causes of action for judicial partition of any interest in the Common Area and does further agree that no action for judicial partition shall be instituted, prosecuted or reduced to judgment. The ownership interests in the Common Area and Lots described in this Article are subject to the easements described, granted and reserved in this Declaration. Each of the easements described, granted or reserved herein shall be established upon the recordation of

this Declaration and shall be enforceable as equitable servitudes and covenants running with the land for the use and benefit of the Owners and their Lots superior to all other encumbrances applied against or in favor of any portion of The Wilderness Club.

4.2. OWNERSHIP OF LOTS.

Title to each Lot in The Wilderness Club shall be conveyed in fee to an Owner. The Association, Declarant or a Club Owner who receives title to any portion of a Lot which is transferred by the Owner as a result of subsequently recorded amended final plats, certificates of correction, lot line adjustments and/or records of survey shall take such property free and clear of any requirement that such land be devoted to use as a Lot. Upon conveyance, such land may be used for any purpose for which land adjacent to it may be used. Any land which is added to a Lot as a result of subsequently recorded amended final plats, certificates of correction, lot line adjustments and/or records of survey shall be deemed, for all purposes of this Declaration, to be part of the Lot to which it is added.

4.3. OWNERSHIP OF COMMON AREA.

Title to or a legal ownership interest in the Common Area in each Phase shall be conveyed to the Association prior to the conveyance of the last Lot in that particular Phase to an Owner by the Declarant or sooner, in its sole and absolute discretion. Declarant shall comply with all applicable laws in turning over Common Area or administrative control to the Association. The Association may not encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Lots unless such encumbrance, sale or transfer (i) has been approved by a majority of the voting rights in the Association; and (ii) such transfer would not put the Project in violation of County open space ordinances or other similar applicable governmental restrictions. These requirements shall not apply to the easements described in Section 4.4 below.

4.4. EASEMENT.

The easements and rights specified in this Article are hereby created and shall exist whether or not they are also set forth in individual grant deeds to Lots. All easements shall be binding upon the successor(s)-in-interest and assigns of the Owners of both the dominant and servient tenements.

4.4.1. Easements on Plat. The Common Area and Lots are subject to the easements and rights of way shown on the Plat.

4.4.2. Easements for Common Area. Every Owner shall have a nonexclusive right and easement for the ingress, egress, use and enjoyment of the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- (a) the right of the Board, after Notice and Hearing, to suspend an Owner's right to use any recreational facilities;
- (b) the right of the Association to dedicate and or grant easements over all or any portion of the Common Area;
- (c) the easements and rights reserved to Declarant or otherwise granted in this Declaration; and

(d) the easements and rights reserved and granted to the Wilderness Club Golf Club (i) prior to the recordation of this Declaration; (ii) in this Declaration; and (iii) in the deeds by which the Common Area or an interest in the Common Area was conveyed to the Association.

4.4.3. Utilities. Notwithstanding anything expressed or implied to the contrary, this Declaration shall be subject to all easements granted by Declarant for the installation and maintenance of drainage facilities, master television antenna or cable systems, wireless communications systems, security and similar systems, and all utilities, including but not limited to sewers, drainage systems, storm drainage systems, retention ponds, electrical, gas, telephone, and water necessary or appropriate for the development of the Project.

4.4.4. Encroachment. Non-exclusive rights and easements are reserved and granted (i) for the benefit of each Lot, as dominant tenement, over, under and across each other Lot and the Common Area, as servient tenements; and (ii) for the benefit of the Common Area, as dominant tenement, over, under and across each Lot, as servient tenement. Such easements shall be for the purposes of encroachment, support, occupancy and use of such portions of Lots and or Common Area as shall be encroached upon, used and occupied by the dominant tenement as a result of any original construction design, accretion, erosion, deterioration, decay, errors in original construction, movement, settlement, shifting or subsidence of any building or structure or any portion thereof. If any portion of The Wilderness Club is partially or totally destroyed, the encroachment easement shall exist for any replacement structure which is rebuilt pursuant to the original construction design. The easement for maintenance of the encroaching improvement shall exist for as long as the encroachment exists; provided, however, that no easement for encroachment shall be created due to the willful misconduct of the Association or any Owner. Any easement for encroachment may but need not be cured by repair or restoration of the improvement.

4.4.5. Environmental Easement. There is hereby reserved for the benefit of Declarant, the Association, and their respective Invitees, a non-exclusive easement on, over and across all portions of The Wilderness Club excluding structures, for the purposes of taking any action necessary to effect compliance with environmental rules, regulations, and procedures promulgated or instituted from time to time by the Board or by any governmental entity. This easement includes, without limitation, the right, but not the obligation, to implement erosion control procedures and practices, the right to maintain any and all wetland areas on The Wilderness Club, the right to drain standing water and the right to do whatever is necessary to comply with federal, state or local laws governing toxic or hazardous wastes.

4.4.6. Wilderness Club Golf Club Easements. The easements and rights specified in this subsection 4.4.6 are hereby created for the benefit of the Wilderness Club Golf Club Property, the Club Owner and all Invitees of the Club Owner whose presence at the Wilderness Club Golf Club is at the request of or approved by the Club Owner and shall exist whether or not such easements are also set forth in individual grant deeds conveying Lots. All easements shall be appurtenant to the Wilderness Club Golf Club Property and shall be binding upon the successors-in-interest and assigns of the owners of both the dominant and servient tenements. No easement set forth in this subsection shall be construed to act as a limitation upon the ability of either Wilderness Club Golf Club or the Club Owner to hold tournaments from

time to time and to provide whatever temporary services and facilities are deemed appropriate by such Club Owner in connection with such tournament, including but not limited to, parking and storage on Common Areas. The Club Owner shall have no obligation to reimburse any portion of the Association's costs and expenses. Every Lot is burdened with an easement permitting overspray in connection with the watering of the golf course and permitting golf balls hit from the golf course to unintentionally come upon the Lot, and for golfers at reasonable times and in a reasonable manner to come upon the exterior portions of the Lot to retrieve errant golf balls; provided, however, if the Lot is fenced or walled, the golfer shall seek the Owner's or occupant's permission before entry. All Owners, by acceptance and delivery of a deed to a Lot, assume all risks associated with errant golf balls, and all Owners agree and covenant not to make any claim or institute any action whatsoever against the Declarant or the Club Owner or their employees, contractors, agents, guests, Invitees, licensees or members arising or resulting from any errant golf balls, any damages that may be caused thereby, or for negligent design of the Golf Course or siting of the Lot.

(a) Utility Easement. The Wilderness Club Golf Club and the Club Owner shall have and is hereby granted a non-exclusive easement over, under, through and across the Common Area for the purposes of installing, maintaining, repairing and replacing, and using master television antenna or cable systems, wireless communication systems, security and similar systems, and all permanent and temporary utilities, including, but not limited to, sewers, drainage systems, storm drainage systems, retention ponds, electrical, gas, telephone and water necessary or appropriate for the development or operation of such Wilderness Club Golf Club Property, including tournaments held on any portion of the Wilderness Club Golf Club Property.

(b) Maintenance Easement. A non-exclusive easement is hereby reserved to the Wilderness Club Golf Club, the Club Owner and the Declarant, and their successors and assigns, its employees, invitees and agents over, in, upon and across the roadways and those portions of the Common Areas reasonably necessary to travel, with storage and maintenance equipment, chemicals, and other items, to and from the maintenance barn for the storage and maintenance of equipment, chemicals and all other items in its discretion.

(c) Rights of Access and Parking. The Wilderness Club Golf Club, the Club Owner and its employees, agents, contractors and designees, and the persons permitted by the Wilderness Club Golf Club and by the Club Owner (regardless of whether such person is a Club Owner hereunder) and their guests and all members of the Wilderness Club Golf Club and their guests shall at all times have a right and non-exclusive easement of access and use over all roadways, whether by automobile, golf cart or other means, located within the Property reasonably necessary to travel to and from the entrances to the Property from and to the Wilderness Club Golf Club Property, respectively, and, further, over those portions of the Property (whether Common Area or otherwise) reasonably necessary to the use, operation, maintenance, repair and replacement of the Wilderness Club Golf Club Property. The Association may not unreasonably restrict rights of ingress and egress to the Wilderness Club Golf Club Property. The Association may not impose any restrictions, limitations or requirements for entry into any portion of the Wilderness Club Golf Club Property which are not imposed and enforced against all Owners and invitees. If vehicle passes are issued to Association's Members, they must be made available to the Club Owner and their licensees and members on the same terms as they are made available to Association's Members. Without

limiting the generality of the foregoing, persons who are permitted to use the Wilderness Club Golf Club Property and permitted members of the public shall have the right to park their vehicles on the roadways located within the Property at reasonable times before, during, and after golf tournaments and other similar functions held by or at the Wilderness Club Golf Club Property.

(d) General Easements onto Common Area and 20 Foot Strip Over Lots. The Wilderness Club Golf Club Property shall have and is hereby granted a non-exclusive appurtenant easement over and across the Common Area and the first twenty (20) feet of any Lot which shares a common boundary with the Wilderness Club Golf Club Property for the following purposes: (i) use and enjoyment of the golf cart paths by golf course maintenance vehicles and vehicles and pedestrians using the golf course located within such Wilderness Club Golf Club Property, provided however, no golf cart path shall be constructed on any portion of a Lot, (ii) constructing, maintaining, repairing and replacing pedestrian and golf cart paths and directional signs related to the golf course located within such Wilderness Club Golf Club Property, (iii) maintaining any lake, pond, wetland area, waterway, or other body of water and moving and removing unsightly brush, and (iv) permitting registered golf course players and their caddies to enter to retrieve golf balls in accordance with the rules of the game of golf (any such entry shall be limited to pedestrian access for the minimum period of time required to retrieve golf balls).

(e) Easements to Facilitate Tournaments. The Wilderness Club Golf Club and the Club Owner shall have and is hereby granted a non-exclusive easement over and across the Common Area appurtenant to the Wilderness Club Golf Club Property for all purposes reasonably necessary to hold and conduct tournament play at the Golf Course located on the Wilderness Club Golf Club Property including without limitation, ingress and egress by vehicular and pedestrian traffic, parking, utility services, directional signs, traffic control and other related uses. During such periods, the Club Owner shall have the right to, take all reasonable actions which are appropriate for holding such an event. Such Club Owner(s) shall be solely responsible for all additional costs incurred as a result of the tournament and shall repair any damage caused to the Common Area, as a result of the tournament. The Association shall have no right to prohibit or impair the ability of the Club Owner to take any and all reasonable actions which are appropriate for holding a tournament. The Association may require that the Club Owner provide reasonable assurances of necessary funds for clean up and repairs that may be required due to such activities.

(f) Additional Easements. The Club Owner and its duly authorized agents and representatives shall have a non-exclusive right and easement as is necessary or appropriate to the exercise of, any rights granted to the Wilderness Club Golf Club, appurtenant to the Wilderness Club Golf Club Property or to the Club Owner by this Declaration, including the right to enter upon Lots and Common Area, subject to the limitations contained in this Declaration.

4.4.7. Sign Easements. The Wilderness Club Golf Club shall have and is hereby granted a non-exclusive easement over and across the Common Area appurtenant to the Wilderness Club Golf Club Property for the purposes of locating, establishing, maintaining, repairing, replacing and lighting all of its signs permitted pursuant to this Declaration, subject to County regulations.

In addition, parking restrictions may be added or removed for temporary periods at the discretion of the Board to accommodate the planned activities of individual Owners. If the provisions of this Declaration regarding boats, trailers, campers, commercial vehicles, mobile homes, or recreational vehicles are ever amended to be less restrictive than the applicable County Zoning Ordinance; the ordinance shall prevail over those provisions of this Declaration.

7.24. RENTAL OF LOTS.

Unless an Owner is prohibited from leasing or renting his or her Lot by the terms of another document, an Owner shall be entitled to rent or lease his or her Lot if: (i) there is a written rental or lease agreement specifying that the tenant shall be subject to all provisions of the Project Documents and a failure to comply with any provision of the Project Documents shall constitute a default under the agreement; (ii) the period of the rental or lease is not less than one (1) week (unless otherwise permitted by the Declarant); (iii) the Owner gives notice of the tenancy to the Board and has otherwise complied with the terms of the Project Documents; (iv) the Owner gives each tenant a copy of the Project Documents; and (v) the Lot is rented to not more than one (1) family at any time. Upon satisfaction of the foregoing conditions, all rights to the use and enjoyment of the Common Area shall be exercised by the tenant rather than by the Owner of the leased or rented Lot; however, the Owner shall not be relieved of the obligations and duties imposed by this Declaration. No Owner may lease or rent an unimproved lot.

This provision shall have no application to the Declarant, or any affiliated third parties or third party designees of the Declarant, so long as Declarant owns any Lots in the Project even after the Conversion Date. Nothing contained herein shall preclude the Declarant, or any affiliated third parties of the Declarant, from providing transient rental programs, hospitality programs, fractional or timeshare programs or other lawful uses of property within the Project on terms and pursuant to programs established by the Declarant, or any affiliated third parties of the Declarant or any designee or assignee of such rights by the Declarant, from time to time in its sole and absolute discretion. Any such programs or uses of property established by the Declarant, or any affiliated third parties or designees of the Declarant, from time to time, if any, shall be an exception to the rental restrictions established by this provision for the duration of

this Declaration. Any such programs established by or through the Declarant may continue for the duration of this Declaration, as amended from time to time.

7.25. RULES.

The Board may promulgate rules concerning the use of the Estates at Wilderness by Owners and their guests. 7.28. SWIMMING POOLS.

No swimming pool may be constructed without the approval of the Design Review Committee as provided in Article XV.

7.29. TRAFFIC REGULATIONS.

The Association may promulgate, administer and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including reasonable safety measures and speed limits; provided however that the Association may not regulate, beyond that which is necessary for safety reasons, or prohibit golf cart access to streets within The Wilderness Club Resort. Vehicular and pedestrian traffic includes but is not limited to motor vehicles, trailers, golf carts, bicycles, skateboards and roller skates. The Association shall be entitled to enforce such provisions by establishing such enforcement procedures as it deems appropriate, including levying fines for the violation thereof, as long as such procedures are consistent with the Project Documents. Only drivers licensed to operate motor vehicles shall operate any type of motor vehicle within The Wilderness Club Resort. All vehicles of any kind which are operated within The Wilderness Club Resort shall be operated in a careful, prudent, safe and quiet manner and with due consideration for the rights of all Owners and their Invitees and the Golf Course, respecting the property of the Estates at Wilderness, and due consideration for the rights of the Club Owner and its Invitees.

7.30. USE AND OCCUPANCY OF RESIDENCES.

Each Lot shall be used solely for residential purposes. No Residence shall be permanently occupied by anymore than two (2) persons per bedroom unless approved by the Association in writing. No Owner may permit or cause anything to be done or kept upon, in or about his or her Lot which might obstruct or interfere with the rights of other Owners or which would be noxious, harmful or unreasonably offensive to other Owners. Each Owner shall comply with all of the requirements of all federal, state and local governmental authorities, and all laws, ordinances, rules and regulations applicable to his or her Lot. For any transient use or occupancy program established by the Declarant, its assigns or designees, the Declarant shall establish use and occupancy restrictions which shall be unencumbered by this section provide such use and occupancy complies with all laws, ordinances, rules and regulations.

7.31. USE OF COMMON AREA.

All use of Common Area is subject to the Rules. All persons residing within The Wilderness Club may enjoy the use of all facilities in the Common Area as long as they abide by the terms of the Project Documents. There shall be no obstruction of any part of the Common Area. Nothing shall be stored or kept in the Common Area without the prior written consent of the Board. Nothing shall be done or kept in the Common Area which will increase the rate of insurance on the Common Area without the prior written consent of the Board. No Owner shall permit anything to be physically done or kept in the Common Area or any other part of The Wilderness Club Resort which might result in the cancellation of insurance on any part of the

Common Area, which would interfere with rights of other Owners, or which would be a nuisance, noxious, harmful or unreasonably offensive to Owners. No waste shall be committed in the Common Area.

7.31.1. Conveyance of Property by Association. In the event the Association votes to transfer or sell any portion of the Common Area, an equivalent amount of land shall be transferred into the Common Area.

7.31.2. Conveyance of Property to Association. If the Association accepts title to any real property transferred by an Owner, Declarant or the Club Owner as a result of subsequently recorded amended final plats certificates of correction, lot line adjustments and/or records of survey, the property received shall be Common Area unless the conveying deed specifically provides otherwise.

7.32. USES IN SURROUNDING AREAS.

In addition to tournaments within the Project, areas surrounding the Project may be subject to a wide variety of uses, including but not limited to agricultural, viticulture, commercial, retail, hotel, and bed and breakfast. Each Owner, by acceptance of a deed to a Lot, expressly waives for himself or herself and his or her successor(s)-in-interest and assigns any and all claims against owners of land within and/or adjacent to the Project, including Declarant and all of its general and limited partners, and their successor(s)-in-interest and assigns which arise from landowners' business uses of their lands as long as such uses are legal and are customarily considered ordinary and normal within the scope of the business use.

7.33. WEEDS.

The control of noxious weeds by the Association on those areas for which the Association is responsible and the control of noxious weeds by individual Owners on their respective Lots shall be as set forth and specified under the Montana Noxious Weed Control Act (MCA 7-22-2101 through 7-22-2153) and the rules and regulations of the Lincoln County Weed District. Each Owner shall be responsible for the control of state and county declared noxious weeds on his or her own Lot. Both unimproved and improved Lots shall be managed for noxious weeds. In the event an Owner does not control the noxious weeds, after ten (10) days notice from the Association, the Association may cause the noxious weeds to be controlled. The cost and expense association with such weed management shall be assessed to the Lot and such Assessment may become a lien in accordance with the lien and foreclosure provisions set forth in Article IX.

7.34. WELLS AND SEPTIC TANKS.

Except as specifically permitted and approved by Declarant, in connection with the conveyance of a Lot and as permitted by the County, no well for water shall be constructed or installed on any Lot. No septic tank shall be constructed or installed on any Lot. Declarant has no express or implied obligation to permit the installation of any well and approving the installation of any well or wells does not impose any express or implied obligation on Declarant to approve the installation of any other well.

7.35. WINDOW COVERINGS.

No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades, or other purposes. No window-mounted heating or air-conditioning unit is permitted. All window coverings shall be subject to approval by the Design Review Committee.

7.36. RECLAIMED WATER.

Some of the irrigation lines installed by Declarant for the Common Area may provide for the use of reclaimed water which may produce an offensive odor. The Association shall be permitted to use any such reclaimed water to irrigate Common Area landscaping.

7.37. SEWER PUMPS.

Due to the physical contours and layout of the Property, most Lots within the Estates at Wilderness may require sewage ejector pumps, a pressurized system or similar facilities to connect to the main sewer lines in the Project. Each Owner shall be responsible for the cost of purchasing, installing and maintaining any such equipment required for his or her Lot.

7.38. UTILITIES.

No Owner may obtain utilities services from any provider other than that designated by the Declarant or the Association. All sewer and water services to the Estates at Wilderness shall be provided by the Declarant via the sewer and water system being constructed by Declarant and no Owner shall construct any septic system or other sewage treatment system. Declarant or any subsequent owner of such services shall charge for such services in accordance with applicable law.

7.39. LOT CONSOLIDATION/PARTITION.

No Lot may be partitioned or otherwise subdivided. Two lots may be consolidated; provided, however, the Owner complies with the following:

- (a) The Owner shall first obtain approval from the County;
- (b) The Owner shall first obtain approval from the Design Review Committee;
- (c) The Owner shall intend and shall actually construct its residential unit on parts of both of the Lots to be consolidated; and
- (d) After consolidation, the consolidated Lot may not be partitioned or otherwise divided.

Commencing the first day of the Association's first complete fiscal year after the consolidation is complete, the newly consolidated Lot shall be considered one (1) Lot for assessment and voting rights purposes, and the Association shall apportion assessments accordingly.

ARTICLE VIII

MAINTENANCE, REPAIR AND RECONSTRUCTION OF IMPROVEMENTS

8.1. MAINTENANCE OF COMMON AREA.

The Association shall be responsible for the maintenance, repair, replacement, management, operating, painting and upkeep of Common Area and Improvements thereon. The Association shall keep the Common Area and Improvements thereon in good condition and repair, provide

for all necessary services and cause all acts to be done which may be necessary or proper to assure the maintenance of the Common Area in a first class condition. Notwithstanding the provisions of this Section 8.1 or of Section 8.8, the Association shall not be obligated to continue to maintain, repair or replace any Improvement whose maintenance, repair or replacement is undertaken subsequent to the recording of this Declaration by any landscaping and lighting district, community service area, or other district, governmental or quasi-governmental entity or utility company.

8.1.1. Streets and Street Lighting. All streets and street lighting within The Wilderness Club shall be private and, as Common Area Improvements, shall be operated, maintained, repaired and replaced, as necessary, by the Association. The identification from time to time of some individual components of Common Area Improvements in this Declaration is the result of requirements imposed by the County and shall not be construed as limiting the type, nature or extent of other Common Area Improvements within The Wilderness Club.

8.1.2. Slope Control. The Association shall inspect all slopes and related facilities on Common Area at least once annually prior to October 1st of each year and shall repair any mass soil movement or erosion in a timely manner.

8.1.3. Street Sweeping. The Association shall sweep all streets within The Wilderness Club on a regular schedule to minimize trash, oil, grease, and other toxic urban runoff to watercourses.

8.1.4. Trees. The Association shall maintain the trees on the Common Area in accordance with any requirement of the applicable Plat and/or any conditions of any land use approvals issued in connection with the development of The Wilderness Club.

8.1.5. Improvement And Community Services Districts. Notwithstanding any other provision contained herein, the Association shall not be obligated to maintain nor have the right to control the use, repair, or replace any landscaping, irrigation systems, drainage facilities, waste water treatment facilities, irrigation lakes and/or water features, sanitary sewer systems improvements or geological hazards which are maintained, repaired or replaced by any geological hazard abatement district, landscaping and lighting district or other district (including community services districts) and/or governmental or quasi governmental entity.

8.2. ALTERATIONS TO COMMON AREA.

8.2.1. Approval. Only the Association or Declarant shall construct, reconstruct, refinish or alter any Improvement situated upon the Common Area. A proposal for any construction of or alteration, maintenance or repair to an Improvement may be made at any meeting. A proposal may be adopted by the Board, subject to the limitations contained in the Bylaws.

8.2.2. Funding. Expenditures for maintenance, repair or replacement of an existing capital improvement for which reserves have been collected may be made from the Reserve Account. The Board may levy a Special Assessment to fund any construction, alteration, repair or maintenance of an Improvement for which no reserve has been collected or to alter existing Improvements.

8.2.3. Joint Development and Maintenance of the Common Areas. The Declarant and/or the Association may enter into an agreement, or agreements, with the owners of the Wilderness Club Golf Club Property for the joint installation and/or maintenance of any of the Common Area Improvements.

8.3. MAINTENANCE OF LOTS, AND RESIDENCES.

Except as otherwise specifically provided in this Declaration, each Owner shall maintain and care for his or her Lot, Residence, and all other Improvements located in or on his or her Lot in a manner consistent with the standards established by the Project Documents and other well maintained residential areas in the vicinity of The Wilderness Club. Special architectural design standards may be established in the Rules and all Owners shall be obligated to comply with such standards. Each Owner shall regularly clear all storm drainage inlets and maintain the capacity and flow of all storm drainage improvements and drainage swales situated on the Owner's Lot. The finished ground surface of each Lot shall be maintained to slope away from all structures at a minimum five percent (5%) grade for at least five (5) feet or to a drainage swale located at least two and one-half (2 ½) feet from structures. Landscaping may not be installed in any manner which interferes with the storm drainage improvements or which traps or ponds water adjacent to a Residence. Any Lot upon which a Residence has not yet been constructed shall be maintained by the Owner of the Lot in accordance with the Rules adopted by the Association for maintenance of vacant, improved Lots. The Association shall maintain, repair and replace sidewalk pavements, if any, on all Lots. If the pavement is damaged by the Owner of the Lot or his or her Invitees the Association shall repair it at the expense of the Lot Owner. The Association shall maintain, repair and replace all exterior light fixtures and bulbs connected to the Association's electric service; provided, however, each Owner shall replace any inoperable light bulb in any such light fixture located on that Owner's Lot.

8.4. ALTERATION TO LOTS, AND RESIDENCES.

Owners may alter or remodel the interiors of their Residences if the alterations do not impair the structural integrity of the Residence and if the Owner complies with all laws and ordinances regarding alterations and remodeling. Any proposals for alterations, additions or other Improvements on Lots or to the exteriors of Residences shall be made in accordance with the provisions of Article XV.

8.5. MAINTENANCE AND REPAIR OF FENCES.

8.5.1. No Fences Adjacent to Wilderness Club Golf Club Property. No fences shall be situated on the common boundary of a Lot and any portion of the Wilderness Club Golf Club Property.

8.5.2. Fences Separating Common Area and Lots. Each fence which separates a Lot from Common Areas shall be maintained, repaired and replaced by the Association; provided however, if the side of the fence which faces a Lot is inaccessible by the Association, the owner of the Lot shall maintain that fence surface. Maintenance shall include refinishing the exterior surface of the fence if that surface was previously finished with paint or stain.

8.6. LANDSCAPING.

All landscaping in The Wilderness Club shall be maintained and cared for in a manner consistent with the standards of design and quality as originally established by Declarant and in a condition comparable to that of other well maintained residential areas in the vicinity. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees and shrubs shall be neatly trimmed. Other specific restrictions on landscaping may be established in the Rules.

8.6.1. Association. The Association shall be responsible for all landscaping located on Common Area. The Association shall also irrigate, maintain and replace landscaping located within any public right-of-way described in a Declaration of Annexation.

8.6.2. Owners. With the exception of the Cabin Unit Owners as discussed hereinbelow, each Owner shall be responsible for all landscaping located within that Owner's Lot. If landscaping within Lots is not installed by Declarant, each Owner shall install permanent landscaping within his or her Lot in accordance with the Design Guidelines. Each Owner shall install and maintain landscaping and any necessary engineering measures to maintain slope stability in order to prevent mass soil movement and erosion. Any mass soil movement or erosion which occurs on a Lot shall be promptly repaired by the Owner of the Lot. Maintenance of street trees shall include pruning as appropriate.

8.7. RIGHT OF MAINTENANCE AND ENTRY.

8.7.1. By Association. If an Owner fails to perform maintenance and/or repair which that Owner is obligated to perform pursuant to this Declaration, and the Association determines, after Notice and Hearing given pursuant to the provisions of the Bylaws, that such maintenance and/or repair is necessary to preserve the attractiveness, quality, nature and/or value of The Wilderness Club, the Association may cause such maintenance and/or repair to be performed. The costs of such maintenance and/or repair shall be charged to the Owner of the Lot as a Reimbursement Assessment. In order to effectuate the provisions of this Declaration, the Association may enter any Lot whenever entry is necessary in connection with the performance of any maintenance or construction which the Association is authorized to undertake. Entry within a Lot shall be made with as little inconvenience to an Owner as practicable and only after reasonable advance written notice of not less than forty-eight (48) hours, except in emergency situations.

8.7.2. By Wilderness Club Golf Club. If either the Association or an Owner ("Defaulting Party") fails to maintain any landscaping or fencing situated adjacent to any portion of the Wilderness Club Golf Club Property and within twenty (20) feet of any portion of the Golf Course, the affected Club Owner shall have the right, but not the duty, to maintain the landscaping or fencing at the sole cost and expense of the Defaulting Party. If the affected Club Owner desires to perform any such maintenance authorized by the preceding sentence, the affected Club Owner shall first notify the Defaulting Party in writing and provide the Defaulting Party with at least thirty (30) days from the date of the notice to perform such maintenance. If the Defaulting Party fails to commence and complete such maintenance within said thirty (30) day period, the affected Club Owner shall have the right to enter the Lot or Common Area on which the maintenance is required during reasonable business hours and perform such maintenance. Written notice of the costs incurred by the affected Club Owner in performing

such maintenance and/or repair shall be given to the Defaulting Party who shall have ten (10) days to reimburse the affected Club Owner in full.

8.8. DAMAGE AND DESTRUCTION.

The term "restore" shall mean repairing, rebuilding or reconstructing a damaged Common Area Improvement to substantially the same condition and appearance in which it existed prior to fire or other casualty damage. If fire or other casualty damage extends to any Common Area which is so insured, the Association shall proceed with the filing and adjustment of all claims arising under the existing insurance policies. The insurance proceeds shall be paid to and held by the Association.

8.8.1. Bids. Whenever restoration is to be performed pursuant to this Section 8.8, the Board shall obtain such bids from responsible licensed contractors to restore the damaged Common Area as the Board deems reasonable; and the Board, on behalf of the Association shall contract with the contractor whose bid the Board deems to be the most reasonable.

8.8.2. Sufficient Proceeds. The costs of restoration of the damaged Common Area shall be funded pursuant to the provisions and in the priority established by this subsection 8.8.2. A lower priority procedure shall be utilized only if the aggregate amount of funds then available pursuant to the procedures of higher priority is insufficient to restore the damaged Common Area. The following funds and procedures shall be utilized.

The first priority shall be any insurance proceeds paid to the Association under existing insurance policies.

The second priority shall be all Reserve Account funds designated for the repair or replacement of the capital Improvement(s) which has been damaged.

The third priority shall be funds raised by a Special Assessment against all Owners levied by the Board up to the maximum amount permitted, if any, without the approval of the Members.

The fourth priority shall be any funds raised by a Special Assessment against Owners levied by the Board pursuant to a vote of the Members.

8.8.3. Additional Special Assessment. If the total funds available to restore the damaged Common Area pursuant to the first three priorities described in subsection 8.8.2 is insufficient to restore the damaged Common Area, then a special meeting of the Members shall be called for the purpose of voting whether to impose an additional Special Assessment and deciding upon the amount thereof. The Board shall then contract for the restoration of the damaged Common Area as described above, making use of whatever funds are then available to the Association.

8.9. DAMAGE OR DESTRUCTION TO RESIDENCES AND/OR LOTS.

If all or any portion of a Lot or Residence is damaged by fire or other casualty, the Owner shall immediately perform whatever work is necessary for the Lot to be clean and safe. Thereafter, the Owner shall either (i) restore the damaged Improvements; or (ii) remove all

damaged Improvements, including foundations, and maintain the Lot in a clean and safe condition. Any restoration under (i) must be performed so that the Improvements are in substantially the same condition in which they existed prior to the damage, unless the Owner complies with the provisions of Articles XV. The Owner must commence such work within six (6) months from the date the damage first occurs and must complete the work within one (1) year thereafter.

8.10. CONDEMNATION OF COMMON AREA.

If all or any portion of the Common Area is taken for any public or quasi-public use under any statute, by right of eminent domain or by purchase in lieu of eminent domain, the entire award shall be deposited into a segregated bank account established by the Association until distributed. The Association shall distribute such funds proportionately to all Owners as to their interests at the time of condemnation. The Association shall represent the interests of all Owners.

ARTICLE IX

FUNDS AND ASSESSMENTS

9.1. COVENANTS TO PAY.

Declarant and each Owner covenant and agree to pay to the Association the Assessments and any Additional Charges levied pursuant to this Article IX.

9.1.1. Liability for Payment. The obligation to pay Assessments shall run with the land so that each successive record Owner of a Lot shall in turn become liable to pay all such Assessments. No Owner may waive or otherwise escape personal liability for Assessments or release the Lot owned by the Owner from the liens and charges hereof by non-use of the Common Area, abandonment of the Lot or any other attempt to renounce rights in the Common Area or the facilities or services within The Wilderness Club Resort. Each Assessment shall constitute a separate Assessment and shall also be a separate, distinct and personal obligation of the Owner of the Lot at the time when the Assessment was levied and shall bind each Owner's heirs, devisees, personal representatives and assigns. Any Assessment not paid when due is delinquent. The personal obligation of an Owner for delinquent Assessments shall not pass to a successive Owner unless the personal obligation is expressly assumed by the successive Owner. No such assumption of personal liability by a successor Owner (including a contract purchaser under an installment land contract) shall relieve any Owner from personal liability for delinquent Assessments. After an Owner transfers fee title of record to his or her Lot, the transferring Owner shall not be liable for any charge thereafter levied against the Lot.

9.1.2. Funds Held in Trust. The Assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely for the operation, care and maintenance of The Wilderness Club as provided in this Declaration.

9.1.3. Offsets. No offsets against any Assessment shall be permitted for any reason, including without limitation, any claim that the Association is not properly discharging its duties.

9.2. FUNDING.

Subject to the terms of this Article IX, the Declarant hereby covenants for each Lot owned within the Property, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (i) annual or periodic assessments or charges; and (ii) special assessments for capital improvements to the Common Areas or acquisition of additional Common Areas, such assessments to be established and collected as hereinafter provided. The annual or periodic assessments shall include any reserve assessments necessary to establish and maintain any reserve funds created under Section 9.6. Such assessments will remain effective for the full term and extended term, if applicable, of the within covenants. The annual and special other assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to the successors in title of such Owner unless expressly assumed by them, in writing.

9.3. ANNUAL ASSESSMENT OR CHARGE FOR LOTS.

Subject to the terms of this Article IX, each Lot is hereby subject to an initial and annual assessment in an amount not to exceed an amount determined by the Board (until such assessment charge shall be modified as provided in the Bylaws of the Association), for the purpose of creating a fund to be designated and known as the "Maintenance Fund" for matters described under Section 9.5, the "Reserve Account" for matters described under Section 9.6, as well as any other funds contemplated under this Declaration, or any other fund called for by this Declaration or a Declaration of Annexation. Charges and assessments for funding such funds will be paid by the Owner or Owners of each such Lot in advance in monthly, quarterly or annual installments, as determined by the Association when developing its annual budgets, commencing as to all Lots upon the recordation of this Declaration. The rate at which each Lot will be assessed, and whether such assessment shall be payable monthly, quarterly or annually, will be determined by the Board at least thirty (30) days in advance of each assessment period. Said rate may be adjusted within the limit permitted by the Bylaws from time to time by the Board as the needs of the Association may, in the judgment of the Board, require. The assessment for each type of Lot shall be uniform except as provided in any Declaration of Annexation; provided, however the assessment for different types of Lots (i.e., condominiums, cabins and single family detached) will not be uniform. The Association shall, upon written demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether or not the assessment for a particular Lot has been paid for a particular assessment period. No Lot Owner shall have any right to any common profits of the Association.

9.4. DECLARANT RESPONSIBILITY.

So long as there is Class B membership, Declarant hereby covenants and agrees that in the event that the annual Maintenance Fund revenues are insufficient to pay the operating expenses of the Association, it shall provide the funds necessary to make up the deficit, within thirty (30) days of receipt of request for payment thereof from the Association, provided that if the deficit is the result of the failure or refusal of an Owner or Owners to pay their annual maintenance

assessments, the Association shall diligently pursue all available remedies against such defaulting Owners, including the immediate institution of litigation to recover the unpaid assessments; and shall reimburse the Declarant the amounts, if any, so collected.

9.5. PURPOSES OF MAINTENANCE FUND.

The Association shall establish a Maintenance Fund composed of annual maintenance assessments and shall use the proceeds of such fund in providing for normal, recurring maintenance charges for the Common Areas, and the Utilities and Services, for the use and benefit of all members of the Association. Such uses and benefits to be provided by the Association may include, by way of clarification and not limitation, any and all of the following: (i) normal, recurring maintenance of the Common Areas (including, but not limited to, mowing, edging, watering, clipping, sweeping, pruning, raking, and otherwise caring for landscaping) and the Improvements to such Common Areas, such as sprinkler systems, provided that the Association shall have no obligation (except as expressly provided hereinafter) to make capital improvements to the Common Areas; (ii) perpetual maintenance, repair, and enhancement for any fences, columns, walls, grounds, landscaping, lights, irrigation systems, and entry monuments; (iii) perpetual maintenance of storm water quality/quantity pond facilities within or which serve the Property; (iv) payment of all legal and other expenses incurred in connection with the enforcement of all recorded covenants, restrictions and conditions affecting the property to which the Maintenance Fund applies; (v) payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance charge and assessment; (vi) sewer fees as charged by The Wilderness Club including Common Areas and all Lots; (vii) maintenance, repairs and enhancement of the sewer system; and (viii) all other activities necessary or desirable in the opinion of the Board to keep the Property neat and in good order, or which is considered of general benefit to the Owners or occupants of the Property, it being understood that the judgment of the Board in the expenditure of said funds and the determination of what constitutes normal, recurring maintenance shall be final and conclusive so long as such judgment is exercised in good faith. The amount of the Maintenance Fund shall be determined annually in advance for the succeeding year by a budget adopted by the Board in its sole and absolute discretion designed to meet the operational expenses of the Association to carry out these responsibilities and allowing for contingencies as deemed appropriate by the Board, all in accordance with the provisions of Section 9.12, below.

9.6. RESERVE FUNDS.

9.6.1. Reserve Fund for Replacing Common Areas. Declarant shall establish a reserve fund (the "Reserve Account") for replacement, in whole or in part, of the Common Area and any Improvements located in, on, or under the Common Area or elsewhere for which the Association is responsible pursuant to this Declaration, that will normally require replacement in more than three (3) and fewer than thirty (30) years, including exterior painting, if the Common Area includes exterior painted surfaces. The Reserve Account need not include those items that could reasonably be funded from the Maintenance Fund. Assessments for the Reserve Account under this Section shall begin accruing from the date the first Lot assessed is conveyed. Declarant may elect to defer payment of accrued assessments for reserves for a Lot until the date the Lot is conveyed; provided, however, the Declarant may not defer such payment beyond the date of the Turnover Meeting. The book and records of the Association shall reflect the amount owing from the Declarant for all reserve assessments. For purposes of funding the Reserve

Account the Association shall impose an assessment to be called the "Reserve Fund Assessment" against each Lot, which assessment shall be spread equally over the Lots. The Reserve Account shall be kept separate from other funds and may be used only for the purposes for which reserves have been established as specified in this Section. However, after the Turnover Meeting, the Board may borrow funds from the Reserve Account to meet high seasonal demands on the regular operating funds or to meet unexpected increases in expenses. Funds borrowed under this Section must be repaid later from assessments if the Board has adopted a resolution, which may be an annual continuing resolution, authorizing the borrowing of funds. Not later than the adoption of the Budget for the following year, the Board shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period. The Association shall administer the Reserve Account and shall make periodic payments into the account. Following the second year after the Turnover Meeting, future assessments for the Reserve Account may reduce or increased by an affirmative vote of Owners of at least seventy-five percent (75%) of the Lots. Any funds established for any of the purposes mentioned in this Section shall be deemed to be a reserve fund notwithstanding that it may not be so designated by the Board. The amounts to be collected in each year for purposes of funding and adding to the Reserve Fund shall be determined annually in advance for the succeeding year by the Board in its sole and absolute discretion in a manner consistent with the purposes of this Section 9.6 and established from the Reserve Study as provided for below. The amount of the Reserve Account shall constitute an asset of the Association and shall not be refunded or distributed to any Owner. The reserve portion of the initial assessment determined by the Declarant shall be based upon the initial reserve study described in Section 9.6.2 or other sources of reliable information.

9.6.2. Reserve Study.

(a) Prior to conveying the first Lot, the Declarant shall conduct an initial reserve study, which shall comply with the requirements for reserve studies set forth in Section 9.6.2(b) below.

(b) The Board shall annually conduct a reserve study, or review and update an existing study, to determine the Reserve Account requirements and may adjust the amount of payments as indicated by the study or update and provide for other reserve items that the Board, in its discretion, may deem appropriate. The reserve study shall include (i) identification of all items for which reserves are required to be established; (ii) the estimated remaining useful life of each item as of the date of the reserve study; (iii) the estimated cost of maintenance, repair, or replacement of each item at the end of its useful life; and (iv) a thirty (30) year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on the Reserve Account, to meet the maintenance, repair, and replacement schedule.

9.7. NON-PAYMENT OF ASSESSMENTS/REMEDIES OF THE ASSOCIATION.

Any assessment not paid within ten (10) days after the due date shall bear interest from the due date at the highest rate of interest allowed by Montana law at the time of the non-payment. The Association shall have the authority to impose late charges to compensate for the administrative and processing costs of late payments on such terms as it may establish by duly adopted resolutions and the Association may bring an action at law against the Owner personally obligated to pay the same. No Owner may waive or otherwise escape liability for the

assessments provided for herein by non-use of the Common Area or abandonment of Owner's Lot and/or Unit.

9.8. LIEN TO SECURE PAYMENT.

To secure the payment of the maintenance charge and assessment established hereby and to be levied on individual Lots as provided in this Article IX, there is hereby reserved a lien for the benefit of the Association on each Lot, said lien to be enforceable through appropriate proceedings at law or in equity by such beneficiary; provided that as a condition precedent to any proceeding to enforce such lien upon any Lot upon which there is an outstanding valid and subsisting first mortgage lien, the Association shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action. Such notice, which shall be sent to the nearest office of such first mortgage lien holder by prepaid U.S. registered mail, is to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lien holder, the Association shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof. Sale or transfer of a Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments that became due before such sale or transfer. No sale, foreclosure or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. The Association shall have the right to file notices of liens in favor of such Association in the real property records of the County.

9.9. ADDITIONAL ASSESSMENTS.

In addition to the periodic assessments described in this Article IX, the Association shall have the authority to assess an Owner for costs and expenses incurred by the Association for corrective action which is required as a result of the willful or negligent actions or omissions of such Owner or such Owner's family members, tenants, guests, contractors or Invitees. Each such additional assessment, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land, a continuing lien upon the Lot, and the personal obligation of the Owner in the manner described in Sections 9.2, 9.7 and 9.8 for annual and special assessments.

9.10. REALLOCATION UPON ANNEXATION OF PROPERTY.

When additional property is annexed to the Property, the Association shall, within sixty (60) days after the annexation, recompute the budget based upon the additional Lots and Common Areas and Common Areas and recompute all applicable assessments for each Lot. New Lots shall be subject to assessment from the time of annexation of such Lots to the Property. The Association shall send notice of any applicable assessment to the Owners of new Lots not later than sixty (60) days after the annexation or with the next occurring annual assessment, whichever is sooner. Assessments shall be due and payable on or before a date set forth in the notice which shall be not less than thirty (30) days after the date the notice is mailed or at such other time or times as the Association may specify in the notice in accordance with this Declaration or the Bylaws. If Additional Property is annexed to the planned community of The Wilderness Club during the Association's fiscal year, the Association shall send notice of and shall collect adjustments to assessments for Lots which were within the Property prior to the annexation. Notice of the adjustment in the assessments shall be sent to such Owners not later than sixty (60) days after the annexation or with the next occurring annual assessment,

whichever is sooner. To the extent that any adjustment results in a credit with respect to assessments payable by an Owner, such credit shall be applied toward the next occurring payment or payments of the applicable assessment.

9.11. REIMBURSEMENT ASSESSMENTS.

The Association shall levy a Reimbursement Assessment against any Owner and the Owner's Lot to reimburse the Association for the costs of repairing damage caused by an Owner or an Owner's Invitee or if a failure to comply with the Project Documents has (i) necessitated an expenditure of monies, including attorneys' fees, by the Association to bring the Owner or the Owner's Lot into compliance; or (ii) resulted in the imposition of a fine or penalty. A Reimbursement Assessment shall be due and payable to the Association when levied. A Reimbursement Assessment shall not be levied by the Association until Notice and Hearing has been given in accordance with the Bylaws. Notwithstanding any other provision in the Project Documents expressed or implied to the contrary, Reimbursement Assessments are assessments under this Article IX, but they may not be enforced by any lien rights provided in this Declaration.

9.12. BUDGET, FINANCIAL STATEMENTS, REPORTS AND STUDIES.

9.12.1. Preparation of Operating Budget. Regardless of the number of Members or the amount of assets of the Association, each year the Board shall prepare and approve one or more pro forma operating Budgets.

(a) Budget. A Budget shall be prepared for the Association ("Budget") which shall include all costs and reserves for the maintenance and operating expenses of the Association ("Budget Costs").

(b) All Budgets. The Budget shall also include all of the following, unless they are not applicable:

estimated revenue and expenses on an accrual basis;

a statement as to whether the Board has determined or anticipates that the levy of one or more Special Assessments will be required to repair, replace, or restore any major component or to provide adequate reserves therefor;

a general statement setting forth the procedures used by the Board in the calculation and establishment of reserves to defray the future repair, replacement or additions to those major components that the Association is obligated to maintain; and

a summary of the Association's reserves. The summary of the Association's reserves shall not be admissible in evidence to show improper financial management of the Association; provided that other relevant and competent evidence of the financial condition of the Association is not made admissible by this provision. The summary of the Association's reserves shall be printed in bold type and shall include all of the following:

the current estimated replacement cost, estimated remaining life, and estimated useful life of each major component; and

if applicable, as of the end of the fiscal year for which the study is prepared;

the current estimate of the amount of cash reserves necessary to repair, replace, restore or maintain the major components; and

the current amount of accumulated cash reserves actually set aside to repair, replace, restore, or maintain major components; and

9.12.2. Distribution of Budget. The Budget shall be made available to each Member. Not less than forty-five (45) and not more than sixty (60) days prior to the beginning of the fiscal year, the Board shall distribute either a copy or a summary of the Budget to all Owners. If a summary of the Budget is distributed, a written notice must accompany it. The written notice shall state that the Budget is available at the Association's office (or at another suitable location within the Project) and that copies will be provided upon request and at the expense of the Association. If a Member requests a copy of the Budget, the Board shall provide a copy to the Member by first class United States mail within five (5) days after the Association's receipt of the request.

9.12.3. Annual Report. Within one hundred twenty (120) days after the close of each fiscal year, the Board shall cause to be distributed to each Member an annual report consisting of the following: (i) a balance sheet as of the end of the fiscal year; (ii) an operating (income) statement for the fiscal year; (iii) a statement of changes in financial position for the fiscal year; and (iv) any other information required to be reported by applicable law. If the report is not prepared by an independent accountant, it shall be accompanied by the certificate of an authorized officer of the Association stating that the statements were prepared without independent audit or review from the books and records of the Association.

9.12.4. Quarterly Reconciliation. At least quarterly, the Board shall: (i) cause a current reconciliation of the Association's operating account(s) to be made and review the same; (ii) cause a current reconciliation of the Association's Reserve Account to be made and review the same; (iii) review the current year's actual reserve revenues and expenses compared to the current year's Budget; (iv) review the most current account statements prepared by the financial institution where the Association has its Operation and Reserve Accounts; and (v) review an income and expense statement for the Association's Operation and Reserve Accounts.

9.12.5. Notice of Increased Assessments. The Board shall provide notice by first class, United States mail to the Owners of any increase in Regular Assessments or Special Assessments not less than thirty (30) and not more than sixty (60) days prior to the increased Assessment becoming due.

9.12.6. Statement of Outstanding Charges. Within ten (10) days of a written request by an Owner, the Association shall provide to the Owner a written statement which sets forth the amounts of delinquent Assessments, penalties, attorneys' fees and other charges against that Owner's Lot. A charge for the statement may be made by the Association, not to exceed the reasonable costs of preparation and reproduction of the statement.

9.12.7. Initial Six Month Statement. The Board shall prepare a balance sheet and an operating statement for the period ending on the last day of the sixth (6th) month from the date Regular Assessments were initially levied and distribute them to each Member within sixty (60) days after that date. The operating statement shall include a schedule of Assessments received and receivable, identified by the Lot number and the name of the Member(s) assessed.

9.12.8. Schedule of Monetary Penalties. If the Board adopts a policy imposing any monetary penalty on or charging any fee to any Member for a violation of the Project Documents by that Member or his or her Invitee, the Board shall adopt a schedule of the monetary penalties that may be assessed for those violations. The penalties must be consistent with the Project Documents. A copy of the schedule shall be personally delivered or mailed by first-class, United States mail, postage prepaid, to each Member by the Board. Each time the schedule is modified, the Board shall again deliver a copy to each Member, either personally or by first-class, United States mail, postage prepaid.

9.13. ENFORCEMENT OF ASSESSMENTS.

The Board shall annually distribute, not more than sixty (60) and not less than forty-five (45) days prior to the beginning of the fiscal year, a statement of the Association's policies and practices in enforcing its remedies against Owners for defaults in the payment of Regular and Special Assessments, including the recording and foreclosing of liens against Owners' Lots. In addition to all other remedies provided by law, the Association, or its authorized representative, may enforce the obligations of the Owners to pay each Assessment provided for in this Declaration in any manner provided by law or by either or both of the following procedures:

9.13.1. By Suit. The Association may commence and maintain a suit at law against any Owner personally obligated to pay a delinquent Assessment. The suit shall be maintained in the name of the Association. Any judgment rendered in any action shall include the amount of the delinquency, Additional Charges and any other amounts as the court may award. A proceeding to recover a judgment for unpaid Assessments may be maintained without the necessity of foreclosing or waiving the lien established herein.

9.13.2. By Lien. The Association or a trustee nominated by the Association may commence and maintain proceedings to establish and/or foreclose Assessment liens as provided in Section 9.8 above.

9.13.3. Additional Charges. In addition to any other amounts due or any other relief or remedy obtained against an Owner who is delinquent in the payment of any Assessments, each Owner agrees to pay such additional costs, fees, charges and expenditures ("Additional Charges") as the Association may incur or levy in the process of collecting from that Owner monies due and delinquent. All Additional Charges shall be included in any judgment in any suit or action brought to enforce collection of delinquent assessments or may be levied against a Lot as a Reimbursement Assessment. Additional Charges shall include, but not be limited to, the following:

(a) Attorneys' Fees. Reasonable attorneys' fees and costs incurred in the event an attorney is employed to collect any Assessment or sum due, whether by suit or otherwise;

(b) Late Charges. A late charge in an amount to be fixed by the Board in accordance with the current laws to compensate the Association for additional collection costs incurred in the event any assessment or other sum is not paid when due or within any grace period established by law;

(c) Costs of Suit. Costs of suit and court costs incurred as are allowed by the court;

(d) Interest. Interest on the delinquent Assessment and Additional Charges at a rate fixed by the Board in accordance with the then current laws of State of Montana; and

(e) Other. Any such other additional costs that the Association may incur in the process of collecting delinquent Assessments or sums.

9.13.4. Certificate of Satisfaction of Lien. Upon payment or other satisfaction of a delinquent Assessment for which a notice of intent to foreclose was recorded, the Association shall record a certificate stating the satisfaction and release of the Assessment lien.

9.14. COMMON PROFITS.

No Lot Owner shall have any right to any common profits of the Association.

ARTICLE X

CABIN UNITS AND CABIN UNIT PROGRAM

10.1. ESTABLISHMENT OF CABIN UNITS TO BE OPERATED UNDER A CABIN UNIT PROGRAM.

The Declarant is establishing a program (the "Cabin Unit Program") for the use, operation and maintenance of Lots improved with a Cabin Unit and submitted to the Cabin Unit Program by this Article X of the Declaration. The Cabin Units shall be subject to the same covenants and conditions imposed upon other Lots in the Project, but shall be operated, maintained, used, occupied and assessed subject to these additional provisions.

10.2. DESIGNATION OF CABIN UNITS.

Lots upon which there will be Cabin Units, and subject to the Cabin Unit Program established hereunder, are designated as Cabin Unit Lots on Exhibit C-4 to this Declaration. Such designation may be amended from time to time by the Declarant, in its sole and absolute discretion until such time as the lot is sold to a third party as a Cabin Unit Lot. Additional Cabin Unit designations may be made by the Declarant in its sole and absolute discretion by either an amendment to this Declaration or by virtue of a designation as such in a deed of conveyance to a third party purchaser.

10.3. ADDITIONAL CABIN UNIT PROGRAM BUDGET AND CABIN UNIT ASSESSMENT.

The Association shall establish on an annual basis a separate budget for purposes of providing the additional services contemplated for the Cabin Unit Program (the "Cabin Unit

Program Budget”) which costs shall be allocated equally amongst all Owners of Cabin Units pursuant to an additional assessment (the “Cabin Unit Assessment”) which shall be collected from the Owners of Cabin Units in the manner established by the Association and in accordance with the assessment provisions set forth in Article IX, above. The Cabin Unit Program Budget shall provide for the following additional services that shall be applicable to the Cabin Units:

10.3.1. Landscaping. In order to maintain the uniform appearance and aesthetics of the exterior of the Cabin Units, the Association shall maintain, remove, replace and care for all landscaping and lawns and pathways located on the Cabin Units, including the irrigation of the lawns, and snow removal from the Lot line to the Cabin Unit entrance (the “Cabin Unit Landscaping Services”). Such Cabin Unit Landscaping Services shall be provided by the Association in the areas of the Cabin Units that are not improved by structures, patios, porches, and driveways (the “Cabin Unit Landscaped Areas”) in such manner and frequency as determined by the Association to be in accordance with generally accepted practices for residential dwellings in the Project. In addition, no Cabin Unit Owner shall allow or permit the installation, removal or replacement of any plant or landscaping materials within the Cabin Unit Landscaped Areas of his/her Cabin Unit without the prior written consent of the Declarant, or its third-party designee, and no Cabin Unit Owner shall allow or permit activities that damage or destroy the plants, landscaping materials or irrigation systems within the Cabin Unit Landscaped Areas of his/her Cabin Unit without the prior written consent of the Declarant. The Declarant may assign such supervisory rights to the Association in its sole and absolute discretion and may revoke such assignment at any time so long as the Declarant owns any property in the Project or is the Club Owner.

10.3.2. Design Guidelines Do Not Apply. As long as the Cabin Unit Program remains in effect, Cabin Units shall be subject only to design guidelines established from time to time by the Declarant. However, if the Declarant, or its designated successor or assigns, no longer owns any Lots in the Estates at Wilderness, nor owns the Wilderness Club Golf Club or any further Development Property, nor operates a rental program associated with the Cabin Units, the Design Guidelines shall apply to any subsequent modification of Cabin Units, but only if and then.

10.3.3. Exterior Maintenance. In order to maintain the uniform appearance and aesthetics of the exterior of the Cabin Units, the Association shall provide general maintenance, and upkeep of the exterior of the Cabin Units (“Cabin Unit Exterior Maintenance Service”). By way of example, this shall include aesthetic maintenance associated with touchups and minor repairs to the exterior of the Cabin Units. Such Cabin Unit Exterior Maintenance Service shall be provided by the Association in such manner and frequency as determined by the Association to be in accordance with generally accepted practices for residential dwellings in the Project.

10.3.4. Cabin Unit Special Assessment and Cabin Unit Reserve. Neither the Declarant, nor the Association shall be responsible for any major repairs to the Cabin Units. Major repairs to Cabin Units include, but are not limited to, general staining, roof repairs and stonework repairs (“Cabin Unit Major Repairs”). Cabin Unit Major Repairs will be paid for through a Cabin Unit special assessment (“Cabin Unit Special Assessment”) that may be assessed from time to time by the Board of the Association. In addition, the Association may establish a reserve fund in order to properly provide for funding and completion of Cabin Unit Major Repairs. So long as the Declarant owns any property in The Wilderness Club or is the

Club Owner, the Declarant may require the Board of the Association to provide for any such Cabin Unit Major Repairs necessary to maintain the Cabin Units in their intended condition.

10.3.5. Other Services for Cabin Units. Other services may be provided to Cabin Units, as shall be determined from time to time to be in the best interest of the Cabin Units from time to time by the Board of the Association based upon input from the Cabin Unit Program Owners' Representatives as described below.

10.4. CABIN UNIT PROGRAM OWNERS' REPRESENTATIVES.

The Owners of the Cabin Units shall select two (2) representatives to interface with the Board for purposes of determining the additional services beyond the minimum services contemplated by Section 10.3, if any, to be provided for the Cabin Unit Program applicable to the Cabin Units. The Cabin Unit Program Owners' Representatives shall be Owners of Cabin Units. The selection shall be made by a vote of the Owners of the Cabin Units, including the Declarant, by simple majority. The initial Cabin Unit Program Owners' Representatives shall be selected by the Declarant and shall serve for a term of three (3) years. Thereafter, the Cabin Unit Program Owners' Representatives shall be elected by the Owners of the Cabin Units for new three (3) year terms. The Cabin Unit Program Owners' Representatives shall serve in an advisory capacity only to represent the collective thoughts of the Owners of the Cabin Units on how the Cabin Unit Program shall operate. The Board shall entertain the suggestions of the Cabin Unit Program Owners' Representatives in establishing the annual budget for the annual Cabin Unit Program Budget and shall work with the Cabin Unit Program Owners' Representatives in good faith in maintaining and continuing the Cabin Unit Program; however, the Board shall have the absolute final discretion in determining what services are provided, which decision shall be final.

10.5. CABIN UNIT PROGRAM RENTAL PROGRAM.

The Declarant, or any third party designee of the Declarant, reserves the right to establish a rental program in the future for the express purpose of renting Cabin Units to the public pursuant to the rules established by the Declarant, or a third party designee. Such program will be governed in accordance with the contracts between the rental program operator and any Owner of a Cabin Unit.

ARTICLE XI

Each Owner (including Declarant for so long as Declarant is an Owner), by virtue of being an Owner, shall be a Member of the Association. No other person shall be accepted as a Member.

11.2.1. Appurtenant to Ownership. Association membership is appurtenant to and may not be separated from the ownership of a Lot. Membership shall terminate upon termination of Lot ownership. Ownership of a Lot shall be the sole qualification for Association membership. Membership shall not be transferred, pledged or alienated in any way except upon transfer of title to the Owner's Lot (and then only to the transferee of title to such Lot). Any attempt to make a prohibited transfer is void; membership shall not be related to the use or non-use of the Common Area and may not be renounced. The rights, duties, privileges and obligations of all Members shall be as provided in the Project Documents.

11.2.2. Annexation. Upon the commencement of Regular Assessments in a subsequent Phase, the Owners of the Lots described in the Declaration of Annexation for that Phase shall become Members.

11.3. VOTING.

Any action required by law or by the Project Documents to be approved by the Owners, the Members or each class of Members shall be approved, if at all, in accordance with the procedures set forth in the Bylaws. Upon annexation, Owners of Lots within such annexed property shall have the same voting rights of all other Owners as described in Article V.

11.4. RULES.

The Board may propose, adopt, amend and repeal Rules appropriate for the management of the Estates at Wilderness, which are consistent with the Project Documents. The Rules may also govern the use of the Common Area by Members or their Invitees. After adoption, a copy of the Rules shall be furnished to each Member. Members shall be responsible for distributing the Rules to their tenants.

11.5. DEDICATION AND EASEMENTS.

Subject to any applicable provision in the Bylaws, the Board shall have the power to (i) dedicate any of the Common Area to an appropriate public authority for public use; or (ii) grant and convey easements and licenses for use and rights of way, on, over and under any Common Area.

11.6. INSURANCE.

The Board shall make every reasonable effort to obtain and maintain the insurance policies as provided in this Section. If the Board is unable to purchase a policy or if the Board believes that the cost of the policy is unreasonable, the Board shall call a special meeting of Members to determine what action to take. The Board shall comply with any resolution concerning insurance coverage adopted at such a meeting.

11.7.1. General Provisions and Limitations. All insurance policies shall be subject to and, where applicable, shall contain the following provisions and limitations:

(a) Underwriter. All policies shall be written with a company legally qualified to do business in the State of Montana and (i) holding no less than a financial performance index of "6" as established by Best's Insurance Reports; (ii) reinsured by a company described in (i) above; or (iii) if such a company is not available, the best rating possible or its equivalent.

(b) Named Insured. Unless otherwise provided in this Section 11.6, the named insured shall be the Association or its authorized representative, as a trustee for the Members. However, all policies shall be for the benefit of Owners and their Mortgagees, as their interests may appear.

(c) Authority to Negotiate. Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Board; provided, however, that no Mortgagee having an interest in such losses may be prohibited from participating in any settlement negotiations related thereto.

(d) Contribution. In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by Owners or their Mortgagees.

(e) General Provisions. To the extent possible, the Board shall make every reasonable effort to secure insurance policies providing for the following:

a waiver of subrogation by the insurer as to any claims against the Board; the manager of the Estates at Wilderness, if any; the Owners and their respective servants, agents and guests;

that the policy will be primary, even if an Owner has other insurance which covers the same loss;

that no policy may be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each First Mortgagee listed as a scheduled holder;

an agreed amount endorsement; and

an inflation guard endorsement.

(f) Term. The period of each policy shall not exceed three (3) years. Any policy for a term greater than one (1) year must permit short rate cancellation by the insured.

(g) Deductible. The policy may contain a reasonable deductible and the amount of the deductible shall be added to the face amount of the policy in determining whether the insurance equals replacement cost.

11.7.2. Types of Coverage. Unless the Association determines otherwise pursuant to Section 11.6.3, the Board shall obtain at least the following insurance policies in the amounts specified:

(a) Property Insurance. A policy or policies of all risk property insurance for all insurable Common Area Improvements, including fixtures and building service equipment, against loss or damage by fire or other casualty, in an amount equal to one hundred percent (100%) of the current full replacement cost (without respect to depreciation) of the Common Area, and exclusive of land, foundations, excavation and other items normally excluded from coverage; provided, however, that such insurance is available at reasonable cost. A replacement cost endorsement shall be part of the policy.

(b) Liability Insurance. A combined single limit policy of public liability insurance in an amount not less than Five Million Dollars (\$5,000,000.00)

(comprised of a primary policy of at least One Million Dollars (\$1,000,000) and an umbrella policy for the remaining amount) covering the Common Area and all damage or injury caused by the negligence of the Association, the Board or any of its agents or the Members against any liability to the public or to any Member incident to the use of or resulting from any accident or intentional or unintentional act of an Owner or a third party occurring in or about any Common Area. If available, each policy shall contain a cross liability endorsement in which the rights of the named insured shall not be prejudiced with respect to any action by one named insured against another named insured. The Board shall have the right to increase such amounts from time to time in its reasonable discretion without the approval of the Owners.

(c) Worker's Compensation. Worker's compensation insurance to the extent necessary to comply with all applicable laws of the State of Montana or the regulations of any governmental body or authority having jurisdiction over the Estates at Wilderness

(d) Fidelity Bond. A fidelity bond naming the Board, the Members, the Association and such other persons as the Board may designate as obligees, in an amount equal to at least one fourth (¼) of the total sum budgeted for the current operation account and Reserve Account for the current fiscal year. The fidelity bond shall contain a waiver of any defense based on the exclusion of persons serving without compensation.

(e) Directors and Officers. Errors and omissions insurance covering directors and officers, if reasonably available, in types and amounts as the Board determines to be appropriate.

(f) Other Insurance. Other types of insurance as the Board determines to be necessary to fully protect the interests of the Members.

11.7.3. Annual Review. The Board shall review the adequacy of all insurance, including the amount of liability coverage and the amount of property damage coverage, at least once every year. At least once every three (3) years, the review shall include a replacement cost appraisal of all insurable Common Area Improvements and Residences without respect to depreciation. The Board shall adjust the policies to provide the amounts and types of coverage and protection that are customarily carried by prudent owners of similar properties in the area in which the Estates at Wilderness is situated. Such adjustment shall not require amendment of this Declaration.

11.7.4. Insurance by Member. Each Member shall obtain insurance coverage which the Member considers necessary or desirable to protect himself or herself, his or her Lot, his Residence and his or her personal property at the Owner's own expense; provided, however, that no Owner shall be entitled to exercise his or her right to maintain insurance coverage in a manner so as to decrease the amount which the Association, on behalf of all Owners and their Mortgagees, may realize under any insurance policy which the Association may have in effect at any time.

ARTICLE XII

DEVELOPMENT RIGHTS

12.1. LIMITATIONS OF RESTRICTIONS.

Declarant is undertaking the work of developing Lots and other Improvements within the Estates at Wilderness and The Wilderness Club in general. The completion of the development and the marketing, sale, lease, rental and/or other disposition of the Lots is essential to the establishment and welfare of the Property and the Additional Property as a residential community. In order that the work may be completed and the Estates at Wilderness be established as a fully occupied residential community as rapidly as possible, nothing in this Declaration shall be interpreted to deny Declarant or any Builder the rights set forth in this Article XII with respect to any portion of the Estates at Wilderness owned by Declarant or any Builder respectively.

12.2. RIGHT OF ACCESS AND COMPETITION OF CONSTRUCTIONS.

Until the fifteenth (15th) anniversary of the expiration of the Annexation Period, Declarant, its contractors and subcontractors and any Builder and its contractors and subcontractors shall have the right to: (i) obtain reasonable access over and across the Common Area of the Estates at Wilderness and/or do within any Lot owned by it whatever is reasonably necessary or advisable in connection with the completion of the Project; and (ii) erect, construct and maintain on the Common Area of the Estates at Wilderness and/or within any Lot owned by it such structures as may be reasonably necessary for the conduct of its business to complete the work, establish the Project as a resort, spa and residential community, including all businesses established by Declarant and dispose of the Project in parcels by sale, lease, rental or otherwise.

12.3. SIZE AND APPEARANCE OF ESTATES AT WILDERNESS.

Declarant shall not be prevented from increasing or decreasing the number or size of Lots that may be annexed to the Estates at Wilderness; changing the exterior appearance of any Improvement; building different project types on similarly situated Lots; adding, altering, removing or reconstructing any improvement located on any property owned by Declarant; adding, realigning or eliminating any proposed street or road; or altering any other matter directly or indirectly connected with The Wilderness Club in any manner deemed desirable by Declarant, if Declarant obtains all governmental consents required by law. Declarant may construct and/or annex any Improvements to The Wilderness Club at any time prior to the fifteenth (15th) anniversary of the expiration of the Annexation Period.

12.4. ALTERATIONS TO PLAT.

At any time within three (3) years from the date that the first Lot in a Phase is conveyed to an Owner other than Declarant or a Builder, the boundaries of any Lot or Common Area in that Phase may be altered by a lot line adjustment or other change reflected on a subsequently recorded record of surveyor subdivision plat, provided that the altered boundaries are approved by Declarant and all Owners of the Property involved in the boundary adjustment (or the Board, with respect to property owned by the Association). Any such alteration shall be effective upon recordation of the Record of Survey, subdivision plat or comparable document and, upon such recordation, the boundaries of the altered Lot or Common Area shall be altered for purposes of

this Declaration to conform to the boundaries as shown on the Record of Survey, subdivision plat or comparable document.

12.5. MARKETING RIGHTS.

Declarant and to the extent approved in its sole discretion by Declarant, each Builder, shall have the right to: (i) maintain model homes, sales, leasing and/or rental offices, storage areas and related facilities in any unsold Lots or Common Area within The Wilderness Club as are necessary or reasonable, in the opinion of Declarant, for the sale, lease, rental or other disposition of the Lots; (ii) make reasonable use of the Common Area and facilities for the sale, lease, rental or other disposition of Lots; and (iii) conduct its business of disposing of Lots by sale, lease, rental or otherwise. The Declarant or its designee shall have the right to place temporary signs upon the Common Area (including the entrances to The Wilderness Club Resort) relative to the development and sale of its property within and adjacent to the Project. Declarant or its designee may erect such signs and shall maintain them in a first class condition. Upon substantial completion of the sale of the residential Lots in the Estates at Wilderness in The Wilderness Club, the Declarant or its designee shall remove any temporary sign and should it desire permanent signage at the entrance to The Wilderness Club, such signage shall be in conformance with the architecture and design of The Wilderness Club. The Declarant or its designee, in its sole discretion, may use any advertising materials, and public relations efforts reasonably necessary in connection with the sale and marketing of its property and/or businesses, including the sale and marketing of any property within The Wilderness Club.

12.6. TITLE RIGHTS.

This Declaration shall not be construed to constitute a limitation on Declarant's title rights to any property adjacent to the Estates at Wilderness and owned by Declarant prior to its annexation, nor shall it impose any obligation on Declarant or any other person or entity to improve, develop or annex any property not a part of The Wilderness Club. This Declaration shall not be construed to limit the right of Declarant at any time prior to such an annexation to establish additional licenses, easements, reservations, restrictions and rights-of-way for itself, the Association, utility companies or others as reasonably necessary for the proper development and disposition of property owned by Declarant.

12.7. AMENDMENT.

Until the date that is the tenth (10th) anniversary of the expiration of the Annexation Period, the provisions of this Article may not be amended without the written consent of Declarant.

ARTICLE XIII

RIGHTS OF MORTGAGEES

Notwithstanding any contrary provision contained elsewhere in, the Project Documents, the provisions of this Article shall control with respect to the rights and obligations of Institutional Mortgagees specified herein.

13.2. LIABILITY FOR UNPAID ASSESSMENTS.

Any Institutional Mortgagee who obtains title to a Lot pursuant to the remedies provided in the First Mortgage (except upon a voluntary conveyance to the Institutional Mortgagee) or by foreclosure of the First Mortgage shall take the property free of any claims for unpaid assessments or charges against the Lot which accrue prior to the acquisition of title to the Lot by the Institutional Mortgagee.

13.3. NOTICES TO ELIGIBLE HOLDERS.

The Association shall give timely written notice of each of the following events to each Eligible Holder:

13.3.1. Loss. Any condemnation loss or casualty loss which affects either a material portion of the Estates at Wilderness the Lot on which the Eligible Holder holds a First Mortgage;

13.3.2. Delinquency. Any delinquency in the payment of assessments or charges owed by the Owner of a Lot which is subject to a First Mortgage held by the Eligible Holder if the delinquency is not cured within sixty (60) days after its due date;

13.3.3. Insurance. Any lapse, cancellation or material modification of any insurance policy maintained by the Association;

13.3.4. Material Changes. Any proposal to take any action specified in this Article or in Section 9.1.2; or

13.3.5. Default. Any default by an owner-mortgagor of a Lot in the performance of the Owner's obligations under this Declaration or the Bylaws which is not cured within sixty (60) days.

13.4. INSPECTION OF BOOKS AND RECORDS.

Upon request, any Owner, First Mortgagee or Institutional Mortgagee shall be entitled, at its own expense, to inspect and copy the books, records and financial statements of the Association, the Project Documents and any amendments thereto during normal business hours.

13.5. VOTING RIGHTS OF MORTGAGEES.

For purposes of this Section 13.5, a Mortgagee shall be entitled to one (1) vote for each Lot encumbered by a First Mortgage owned by that Mortgagee.

13.5.1. Institutional Mortgagee Protection. Unless sixty-seven (67%) of the Institutional Mortgagees or sixty-seven percent (67%) of the Owners other than Declarant have given their prior written approval, the Association shall not be entitled to:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any property or Improvements owned, directly or indirectly, by the Association for the benefit of the Lots and the Owners. The granting of easements for public utilities or for other public purposes consistent with the intended use of the property by the Association and Owners shall not be deemed a transfer within the meaning of this subsection 13.5.1(a);

(b) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to architectural design or exterior appearance of Lots, the exterior maintenance of Lots, the maintenance of party walls, party fences or other Improvements which serve more than one Lot, or the upkeep of lawns, plantings or other landscaping in the Estates at Wilderness;

(c) fail to maintain fire and extended coverage insurance on insurable portions of the Common Area as required by Sections 11.6.2(a) and 11.6.3 above; or

(d) use hazard insurance proceeds for losses to any property or Improvements owned by the Association other than for the repair, replacement or reconstruction of the property and Improvements.

13.5.2. Termination of The Wilderness Club. Any election to terminate the legal status of The Wilderness Club as a Planned Community Development shall require that the same be permissible under applicable law and:

(a) the approval of sixty-seven percent (67%) of the Institutional Mortgagees and the approval of seventy-five percent (75%) of the total eligible votes of the Association, if the decision to terminate the legal status is a result of substantial destruction or a substantial taking in condemnation of the property within The Wilderness Club; or

(b) the approval of seventy-five percent (75%) of the Members eligible to vote and sixty-seven percent (67%) of the Eligible Holders, if subsection 13.5.2(a) above is not applicable.

13.6. PAYMENT OF TAXES AND INSURANCE.

Institutional Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may have become a charge against any Common Area or Improvements thereon and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area. Institutional Mortgagees making such payments shall be owed immediate reimbursement for such expenditures from the Association and, on demand, the Association shall execute an agreement in favor of all Institutional Mortgagees reflecting entitlement to reimbursement.

13.7. MORTGAGE PROTECTION.

A breach of any of the conditions or the enforcement of any lien provisions contained in this Declaration shall not defeat or render invalid the lien of any First Mortgage made in good faith and for value as to any Lot in the Estates at Wilderness within The Wilderness Club, but all of the covenants, conditions and restrictions contained in this Declaration shall be binding upon and effective against any Owner of a Lot if the Lot is acquired by foreclosure, trustees sale or otherwise.

ARTICLE XIV

AMENDMENT AND ENFORCEMENT

14.1. AMENDMENTS.

The Project Documents may be amended in accordance with the following provisions:

14.1.1. Mortgagee Requirements. With respect to any action to be taken under this Section 14, which is also governed by provisions of Article XIII that expressly require the approval of the Members and/or Mortgagees, the requirements of Article XIII must be satisfied in addition to the requirement of this Section 14.1.

14.1.2. Voting Requirements. The approval of Owners holding seventy-five percent (75%) of the eligible votes and the approval of fifty-one percent (51%) of the Eligible Holders, based on one (1) vote for each Lot encumbered by a First Mortgage owned by the Eligible Holder, shall be required to amend any provision of this Declaration unless some greater percentage is specified. The Bylaws may be amended as stated therein. Any amendment or addition to the Declaration or Bylaws shall not be considered material and need not be approved by Eligible Holders if the amendment or addition is solely for the purposes of correcting technical errors or for clarification. Any Eligible Holder who receives a written request to approve an addition or amendment and who does not deliver or have its response postmarked within thirty (30) days of the date contained within the written request shall be deemed to approve the addition or amendment. All notices or other communications made pursuant hereto shall be in writing and shall be deemed properly delivered, given or served when (i) personally delivered against receipted copy; or (ii) mailed by certified or registered mail postage prepaid, return receipt requested, in either case (i) or (ii) to the parties at their last known address.

14.1.3. Other Approvals. No amendment which materially alters or changes any rights or easements granted to the Club Owner in this Declaration shall be valid without the written consent of the affected Club Owner(s). No amendment shall be valid if the County determines that the same is inconsistent with the conditions imposed on the development of the Project by the County. The provisions relating to the Wilderness Club Golf Club Property cannot be amended without the written consent of the affected Club Owner(s).

14.1.4. Recordation of Amendment. Any amendment to this Declaration shall be effective upon the recordation in the Official Records of the County of an instrument executed by the President and Secretary of the Association which sets forth the terms of the amendment and a statement which certifies that the required percentage of Members have approved the amendment.

14.1.5. Rights of Declarant/Affected Lot Owners. In no event shall an amendment to this Declaration create, limit or diminish Declarant's special rights without Declarant's written consent or change the boundaries of any Lot or any use to which any Lot is restricted unless the Owners of the affected Lots unanimously consent to the amendment.

14.2. ENFORCEMENT.

14.2.1. Rights to Enforce. The Association, Declarant, and/or any Owner shall have the power to enforce the provisions of the Project Documents in any manner provided by law or in equity and in any manner provided in this Declaration. The Association may institute appropriate legal action, temporarily suspend an Owner's use of the recreation facilities or an Owner's voting rights and/or levy a fine against an Owner in a standard amount to be determined by the Board from time to time. No determination of whether a violation has occurred shall be made until Notice and Hearing has been provided to the Owner pursuant to the Bylaws. If legal action is instituted by the Association, any judgment rendered shall include all appropriate Additional Charges. Notwithstanding anything to the contrary contained in this Declaration, the Association shall not have the power to cause a forfeiture or abridgement of an Owner's right to the full use and enjoyment of the owner's individually owned Lot, including access thereto over and across the Common Area, due to the Owner's failure to comply with the provisions of the Project Documents, unless the loss or forfeiture is the result of the judgment of a court, an arbitration decision, a foreclosure proceeding or a sale conducted pursuant to this Declaration. The provisions of this Declaration shall be equitable servitudes, enforceable by any Owner and/or the Association against the Association and/or any other Owner, tenant or occupant of the Estates at Wilderness except as otherwise provided, Declarant, the Association or any Owner(s) shall have the right to enforce, in any manner permitted by law or in equity, any and all of the provisions of the Project Documents, including any decision made by the Association upon the Owners, the Association or upon any property in the Estates at Wilderness.

14.2.2. Violation of Law. The Association may treat any Owner's violation of any state, municipal or local law, ordinance or regulation, which creates a nuisance to the other Owners in the Estates at Wilderness or to the Association, in the same manner as a violation of the Project Documents by making such violation subject to any or all of the enforcement procedures set forth in this Declaration, as long as the Association complies with the Notice and Hearing requirements.

14.2.3. Remedies Cumulative. Each remedy provided by this Declaration is cumulative and not exclusive.

14.2.4. Nonwaiver. The failure to enforce the provisions of any covenant, condition or restriction contained in this Declaration shall not constitute a waiver of any right to enforce any such provisions or any other provisions of this Declaration.

14.3. RIGHTS OF COUNTY.

In consideration of the approval by the County of The Wilderness Club, Declarant hereby covenants and agrees, and each Owner of a Lot by the acceptance of any deed thereto, for itself and its heirs, executors, administrators, successor(s)-in-interest and assigns, covenants and agrees as follows:

14.3.1. Failure to Maintain Common Areas.

(a) If the Association fails to maintain the Common Area so that Owners, lessees, and their guests suffer, or will suffer substantial diminution in the enjoyment, use or property value of their Property, thereby impairing the health, safety

and welfare of the residents in the Estate of Wilderness, the County, by and through its duly authorized officer and employees, shall have the right to enter upon The Wilderness Club and to commence and complete such work as is necessary to maintain the Common Area. The County shall enter and repair only if, after giving the Association written notice of the Association's failure to maintain the Common Area, the Association does not commence correction of such conditions in no more than thirty (30) days from delivery of the notice and proceed diligently to completion. The Association agrees to pay all expenses incurred by the County within thirty (30) days of written demand. Upon failure by the Association to pay within said thirty (30) days, the County shall have the right to impose a lien for the costs against the Common Area.

(b) It is understood that by the provisions hereof, the County is not required to take any affirmative action and any action undertaken by the County shall be that which, in its sole discretion, it deems reasonable to protect the public health, safety and general welfare, and to enforce it and the regulations and ordinances and other laws.

(c) It is understood that action or inaction by the County, under the provisions hereof, shall not constitute a waiver or relinquishment of any of its rights to seek redress for the violation of any of the provisions of these restrictions or any of the rules, regulations and ordinances of the County or of other laws by way of a suit in law or equity in a court of competent jurisdiction or by other action.

(d) It is further understood that the remedies available to the County by the provision of this Section 14.3 or by reason of any other provisions of law shall be cumulative and not exclusive, and the maintenance of any particular remedy shall not be a bar to the maintenance of any other remedy.

14.3.2. Right to Enforce. The County shall be a third party beneficiary to the provisions of this Declaration and shall have the right but not the duty to enforce any or all of such provisions.

14.3.3. Amendment. This Section 14.3 cannot be amended or eliminated without the written consent of the County.

14.4. ENFORCEMENT BY CLUB OWNER.

The Club Owner shall be a third party beneficiary to the provisions of this Declaration which confer a benefit upon such Club Owner or any portion of the Wilderness Club Golf Club Property owned by such Club Owner. The Club Owner shall have the right to enforce any and all such provisions against the Association or any Owner in any manner provided by law or in equity. No provision of this Declaration which exists for the benefit of the Club Owner or the Wilderness Club Golf Club Property may be amended or eliminated without the written consent of the affected Club Owner(s). This Section cannot be amended or eliminated without the written consent of the Club Owner.

14.5. LIMITATION OF CLAIMS.

The Association, whether on its own behalf or on behalf of any Owner or Owners, shall not file any claim or bring any action against Declarant, its agents, affiliates, officers, directors, partners, employees, contractors, subcontractors, material suppliers, architects, engineers, attorneys or consultants, including but not limited to claims or actions relating to the Project or

any Lot, Residence or Improvements in the Project, whether pursuant to this Declaration or any purchase and sale agreement between Declarant and any Owner, or otherwise, or for any alleged breach of fiduciary duty or any defect, structural, in material, in workmanship, or otherwise, whether patent or latent, unless such claim is filed or such action is brought within four (4) years of the date on which Declarant ceases to be a Class "B" Member pursuant to the Bylaws.

ARTICLE XV

ARCHITECTURAL CONTROL

15.1. APPLICABILITY.

Except as otherwise provided in this Declaration, proposals for Alterations (as that term is defined in Section 7.1) shall be subject to the provisions of this Article and may not be made until approved in accordance with the provisions of this Article. The provisions of this Declaration requiring architectural approval shall not apply: (i) to alterations of Common Area Improvements; (ii) to the original construction of any Improvements on a Lot by Declarant, its agents, contractors or employees; or (iii) prior to the first conveyance of a Lot to an Owner. For purposes of the foregoing, the term "Alteration" shall mean and include the following: (a) the construction, installation, alteration, demolition in whole or in part, or expansion of any building, structure or other improvements, including utilities; (b) the staking, clearing, grading, excavation, filling or similar disturbance to the surface of the land, including without limitation any change of grade, change of ground level, change of drainage pattern, or change of stream bed or course; (c) all initial planting of and subsequent material modifications to landscaping, and all planting, clearing or removing of trees, shrubs, grass or perennial plants, but in each instance excluding removal of dead or diseased plants and trees and excluding any replacement that is substantially similar to the item being replaced; (d) any change or alteration to the exterior appearance of Improvements previously approved by the Design Review Committee, including any change in finish material, color or texture; (e) the repainting and resurfacing of exterior surfaces of structures, including roofing materials, gutters, downspouts, drainspouts, exterior siding or stucco finish, entry doors, windows, trim around doors and windows, surfaces of garage doors, external vents and flues and glass surfaces, exclusive of any replacement that is substantially identical to the item being repainted or resurfaced; and (f) reconstruction of any structures. Design Review Committee approval shall not be required for any changes to the interior of any structure constructed on a Lot.

As specified above in Section 10.3.2., as long as the Cabin Unit Program remains in effect, Cabin Units shall be subject only to design guidelines established from time to time by the Declarant. Additionally, if the Declarant no longer owns any Lots, nor owns the Wilderness Club, nor operates a rental program associated with the Cabin Units, the Design Guidelines shall apply to any subsequent modification of Cabin Units, but only if and then.

15.2. DESIGN REVIEW RESPONSIBILITY.

The administration of the Design Guidelines and the review of all applications for approval, construction and modification under this Article and the Design Guidelines shall be the responsibility of the Design Review Committee. The Board may establish and charge fees for review of applications hereunder, and may require such fees to be paid in full prior to review.

Additionally, the Board may provide for the employment of such professional consultants as it may deem appropriate to advise and assist the Design Review Committee. The Board may also establish fines and other penalties for failure to comply with the provisions of this Article and the Design Guidelines. In order to expedite that process of review of applications for new construction, the Board may provide for the establishment of a Modifications Committee, which shall have the responsibility for reviewing all applications for modifications to previously constructed Improvements, including material modifications to landscaping. If such a Modifications Committee is established, its members will be appointed by Declarant or the Association, as applicable, to the same extent as Declarant or the Association then has the power to appoint the members of the Design Review Committee. In all other respects the terms of this Article shall apply to the Modifications Committee from and after the date that any such committee is established; provided, however, in no event may the Modifications Committee amend or otherwise alter the Design Guidelines.

15.3. DESIGN REVIEW COMMITTEE.

The Design Review Committee shall consist of three (3) persons. Until the Turnover Meeting, or such earlier date as Declarant may elect in writing to relinquish such power, Declarant shall appoint all members of the Design Review Committee, and may remove and replace any such members as it deems appropriate. After expiration or termination of Declarant's appointment rights, the Design Review Committee shall be comprised completely of Owners without regard to special qualifications, and the members of the Design Review Committee shall then be appointed by the Board. Until that date, Declarant, in its sole discretion, may at any time grant all or any portion of its power to appoint the members of the Design Review Committee to any successor Declarant, or to the Association. From and after the Turnover Meeting, the terms of the members of the Design Review Committee shall be staggered, and shall terminate at different dates, so as to provide reasonable continuity to the design review process.

15.4. GUIDELINES AND PROCEDURES—GENERAL.

Declarant shall prepare the initial Design Guidelines, which thereafter may be amended in whole or in part by a majority of the Design Review Committee. For so long as Declarant owns any Lots, any such amendment shall require the written approval of Declarant. Any amendments to the Design Guidelines shall apply to construction and modifications commenced after the date of such amendment only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. The Design Guidelines may contain general provisions applicable to all of the Property, as well as specific provisions which vary from one portion of the Property to another depending upon location, unique characteristics, and intended use. The Design Guidelines may also include the procedures, materials to be submitted and additional factors which will be taken into consideration in connection with the approval of any proposed Improvement. The Design Guidelines may specify circumstances under which the strict application of limitations or restrictions under this Declaration will be waived or deemed waived in whole or in part, and may waive the requirement or exempt Alterations from the requirement for approval if such approval is not reasonably required to carry out the purposes of this Declaration. The Design Guidelines, as the same shall be amended from time to time, need not be recorded, but shall be considered incorporated herein by reference and shall be enforceable as though set forth in full.

Additionally, the construction of improvements within the Property shall be subject to and governed by the requirements set forth in the Lincoln County Standards for the Property, if any. Each Owner, by accepting to deed for any Lot, shall be deemed to have agreed to comply with the requirement of said Design Standards, as the same may be interpreted and enforced by the County and/or the Design Review Committee.

15.5. SUBMISSION OF APPLICATION.

Prior to commencement of work to accomplish any proposed Alteration, the Person proposing to make such Alteration (the "Applicant") shall submit to the Design Review Committee such information, descriptions, surveys, elevations, plans, specifications and samples showing and describing the proposed Improvement (the "Application") as may be required by the Design Guidelines. The Design Review Committee may require submission of additional plans, specifications or other information prior to approving or disapproving the proposed Improvement. Until receipt by the Design Review Committee of all required materials in connection with the proposed Improvement, the Application shall be deemed incomplete, and the Design Review Committee may postpone review of any materials submitted for approval by the Applicant. At its request, the Applicant shall be entitled to receive a receipt from the Design Review Committee or its authorized agent showing the date the complete Application was received.

15.6. CRITERIA FOR APPROVAL.

The Design Review Committee will approve any proposed Alteration only if it determines that the Alteration in the location indicated will not be detrimental to the appearance of the surrounding areas of the Property as a whole; that the appearance of the proposed Alteration will be in harmony with the surrounding areas of the Property; that the Alteration will not detract from the beauty, wholesomeness and attractiveness of the Property or the enjoyment thereof by the Owners; and that the upkeep and maintenance of the proposed Alteration will not impose any undue burden on the Association. The Design Review Committee may condition its approval of any proposed Alteration upon the making of such changes as the Design Review Committee may require.

15.7. DECISION OF COMMITTEE.

The decision of the Design Review Committee shall be made within sixty (60) days after the date that it receives the complete Application and any additional materials required by it, unless such period of time is extended by mutual agreement of the Design Review Committee and the Applicant. The decision shall be in writing and, if the decision is to disapprove the Application, the reasons shall be stated. The decision of the Design Review Committee shall be promptly transmitted to the Applicant at the address furnished by the Applicant to the Committee.

15.8. FAILURE TO ACT.

Any request for approval of a proposed Alteration shall be deemed approved unless disapproval or a request for additional information or materials is transmitted to the Applicant by the Design Review Committee within sixty (60) days after the date that the Design Review Committee receives the complete Application and any additional materials required by it.

15.9. NO WAIVER OF FUTURE APPROVALS.

Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

15.10. PROSECUTION OF WORK.

After approval of any Application, the proposed Alteration shall be constructed with reasonable promptness and diligence in conformity with the Application and any conditions imposed by the Design Review Committee in its approval.

15.11. NOTICE OF COMPLETION.

Upon Completion of the Alteration, the Applicant shall give written notice of completion to the Design Review Committee. Until the date of its receipt of such notice, the Design Review Committee shall not be deemed to have received notice that the Alteration has been completed.

15.12. INSPECTION.

The Design Review Committee or its representative shall have the right to inspect any Alteration prior to or after completion. If as a result of its inspections or otherwise the Design Review Committee determines that any Alteration has been commenced without obtaining the approval of the Design Review Committee, or if it determines that the Alteration is not being completed or has not been completed in conformity with the Application and any conditions of approval, the Design Review Committee shall notify the Applicant in writing of such determination. The notice shall specify the particulars of the noncompliance, and shall require the Applicant to take such action as may be necessary to remedy the noncompliance and may, at the election of the Board, be recorded in the real property records of Lincoln County, Montana. If for any reason other than the Applicant's act or omission the Design Review Committee fails to notify the Applicant of any noncompliance within ninety (90) days after the Design Review Committee's receipt of a written notice of completion from the Applicant, the Alteration shall be deemed to be in compliance if the Alteration, in fact, was complete as of the date the notice of completion was received by the Design Review Committee.

15.13. ENFORCEMENT.

Any Alteration placed, installed or constructed, in violation of this Article shall be deemed to be nonconforming. Upon written request from the Design Review Committee, the Owner in violation shall, at his or her own cost and expense, remove the Alteration and restore the Lot in question to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as requested, Declarant and the Association, and their respective designees, shall have the right to remove the violation and restore the Lot to substantially the same condition as previously existed, or to pursue all legal and equitable remedies available to enforce the provisions of this Article. All costs and attorneys' fees, together with interest on all sums expended by the Association at such rate as may be charged by it, may be assessed against such Lot and collected as a Default Assessment. Additionally, any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply

with the terms and provisions of this Article and the Design Guidelines may be excluded by the Association from the Property upon notice and an opportunity to be heard.

15.14. NONLIABILITY OF THE DESIGN REVIEW COMMITTEE AND BOARD MEMBERS.

Neither the Design Review Committee, the Board nor any member thereof nor Declarant shall be liable to the Association or to any Owner or other Person for any loss, damage or injury arising out of or in any way connected with the performance of the Design Review Committee's or Board's respective duties under this Declaration or the other Governing Documents unless arising as a result of an act or omission which is committed in subjective bad faith or which involves intentional misconduct or a knowing violation of law by the Design Review Committee or Board or individual members thereof. The Design Review Committee or Board shall not be responsible for reviewing, nor shall its approval of any Plans and Specifications be deemed approval of, structural safety, engineering soundness, or conformance with building codes or any other laws, requirements or standards.

15.15. VARIANCES.

The Design Review Committee may authorize variances from compliance with any of the architectural provisions or Design Guidelines when circumstances so warrant. Such variances must be evidenced in writing and must be signed by at least a majority of the members of the Design Review Committee. If such a variance is granted, no violation of this Declaration or the other Governing Documents shall be deemed to have occurred with respect to the matter for which the variance was granted, provided the Applicant complies with the terms of the variance. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or the Design Guidelines for any purpose except as to the particular property and particular provision in the instance covered by the variance.

15.16. SCOPE OF JUDICIAL REVIEW.

The scope of judicial review of any action taken by the Association or the Design Review Committee pursuant to this Article, including but not limited to the promulgation, interpretation, and enforcement of the Design Guidelines, shall be limited to cases of fraud, willful misconduct or subjective bad faith.

ARTICLE XVI
